Illinois Valley Safe and sober graduation night

'Beef and Burgundy' a fund-raising event to benefit the Illinois Valley High School Safe and Sober Graduation Night party, turned out to be a great time. Approximately all of the 180 tickets were sold for the dinner, which was held at Bridgeview Vineyards Winery, on Saturday May 25th. Reggie Bolts and group grilled the

tri-tip, and Jim Frick was the auctioneer. Silent and live auction items and an expansive dessert bar brought in additional proceeds. IVHS students served the food and entertained the crowd by singing and playing instruments. Additional music was by Dawna Crocker and Victoria Britt, IVHS alumni, and Wayne and Friends.

Thank you to the generous supporters of our fund raising dinner and graduation all night party. We appreciate all who helped and a special thanks to:
