

Tales from the Rural Patrol

(Editor's Note: Factual information for 'Blotter' is provided by official law enforcement agencies. All persons listed are innocent until proven guilty in a court of law. Charges can be amended or dismissed.)

Monday, Aug. 4

*In a Downtown Cave Junction store, said a woman, another woman "got in her face" in connection with what might be called bogus use of a handicapped parking placard. The complainant said that the other woman, "a known druggie," pushed her and that she (the complainant) warned that if she hit the other woman she would be dead. Employees then broke up the confrontation.

*It appears that a Dogwood Lane resident's stolen car was recovered, and that the driver, who was not identified in the log (NIL), was cited on a charge of driving 61 mph in a 45 zone at or near Forks State Park.

*A complaint of harassment from Lamont Way was termed beyond available resources (BAR) by the Josephine County Sheriff's Office (JCSO).

*Jerry's Towing took a motorcycle from the front of the Junction Inn after a deputy cited the driver (NIL) on charges of driving while suspended (DWS) and lacking insurance. The driver also was warned for a defective brake light and failure to use a turn signal and lack of license plates.

*At Redwood Hwy. and Lister Street a motorist (NIL) was warned about a defective brake light.

*On Terrace Drive a motorist (NIL) was cited on charges of DWS and having expired license tags, and cited to appear in court due to two warrants charging second-degree theft. There also was a mention of switched license tags.

*Dale Alan Curtis, 50, was taken into custody, apparently in connection with being a fugitive, after a traffic stop in Downtown CJ.

*Following a "minor fender bender" on a parking lot in Downtown CJ, one motorist (NIL) was said to be belligerent. The CJ contract deputy was in Grants Pass with an arrestee and an Oregon State Police (OSP) trooper was contacted, but then the drivers exchanged information and all was OK.

Outside the Valley

*Twelve calls were logged.

Tuesday, Aug. 5

*An employee (NIL) at Oregon Caves National Monument reported damage to his (or her) vehicle, but was unsure whether it happened in CJ or at the monument.

*A brown horse which didn't belong there was in a person's yard in the 8400 block of Takilma Road.

*Civil compromise was reached in the 32000 block of Redwood Hwy. in connection with a dispute about a transaction involving a motor vehicle.

*Large branches were said to be on Redwood Hwy. near the Holiday Inn in Kerby, but then they were cleared.

*"Minor cuts to the face" were reported after a motorist (NIL) drove into a tree on Hay's Cutoff. Use of alcohol was not indicated.

*The driver (NIL) of a vehicle with an outstanding warrant for felony DWS was released after a traffic stop at the south end of CJ, as the county jail wouldn't accept the person for incarceration. Jerry's Towing removed the vehicle though.

*Burglary to a house, a garage and a workshop on Warren Road was reported.

*No one was found in a home on Gamay Drive after a request for a welfare check from an out-of-state relative.

*Someone (NIL) was detained at the CJ 76 store, and then delivered to a probation officer.

Outside the Valley

*Fourteen calls were logged.

Wednesday, Aug. 6

*In Downtown CJ a motorist (NIL) was warned about defective brake lights.

*Jubilee Park was patrolled on foot for more than 20 minutes beginning not long after noon.

*At 12:45 p.m. OSP notified JCSO of a call regarding a possible intoxicated motorist driving a dark brown pickup truck with a business logo on the sides in the vicinity of Redwood Hwy. and Westside Road.

*In the 6000 block of Rockydale Road a man who was temporarily lost was located and taken home. A patrol deputy was aided by a Search And Rescue deputy.

*OSP was to handle a non-injury, single-vehicle accident in the 1400 block of Caves Hwy.

Outside the Valley

*Eleven calls were logged.

Friday, Aug. 8

*Theft of a car hauler and related equipment was reported from the 27000 block of Redwood Hwy.

*Someone (NIL) who had been warned previously about not wearing a seat belt was warned again in CJ.

*People (NIL) on Gamay Drive had a father-son incident in which the latter "was armed with a shovel."

*A teen-ager on Dogwood Lane texted a friend with complaints about being locked up and not being fed, but it turned out that he was being punished for not cleaning his room. His dad was going to handle the situation.

Outside the Valley

*Eleven incidents were logged including a large group of people fighting in the 4000 block of Williams Hwy. OSP and JCSO officers responded. And Gregory Martin Taylor, 48, was arrested in Grants Pass on a charge of probation violation.

Fire Season Equipment Use Shut Down

The Oregon Department of Forestry has completely shut down the public use of power-driven and spark-emitting equipment. Chain saw use is prohibited. Mowing of dried grass with power driven equipment is prohibited. Cutting, grinding and welding of metal is prohibited. Please note that these restrictions are determined by the Oregon Department of Forestry. If you have questions or concerns please contact ODF directly at 541-474-3152.
