10 EASY STEPS TO KILL YOUR BUSINESS

- DON'T ADVERTISE... Just pretend everyone knows what you have to offer.
- DON'T ADVERTISE... Tell yourself you just don't have time to spend thinking about promoting your business.
- DON'T ADVERTISE... Just assume everyone knows what you sell.
- DON'T ADVERTISE... Forget that there are new potential customers who would do business with you if they were invited to do so.
- DON'T ADVERTISE... Convince yourself that you've been in business so long customers will automatically come to you.
- DON'T ADVERTISE... Forget that you have competition trying to attract your customers away from you.
- DON'T ADVERTISE... Tell yourself it costs too much to advertise, and that you don't get enough out of it.
- DON'T ADVERTISE... Overlook the fact that advertising is an investment in selling - not an expense.
- DON'T ADVERTISE... Be sure not to provide an adequate advertising budget for your business.
- DON'T ADVERTISE... Forget that you have to keep reminding your established customers that you appreciate their business.

Bottom Line: Avoid killing your business

SEE YOU ON THE RADIO

Well it used to be that way. Remember? It was George and Gracie, Lone Ranger, etc. Families would gather by the radio to listen for their favorite program. And when War of the Worlds came on, a whole nation stopped, and wondered. What if aliens had really landed in a field?

The power of radio.

Well times have changed, with high speed internet you have a whole world of music and news to choose from. So maybe this is why TakilmaFM.com is getting forgotten, so many choices.

But I don't forget, I remember Dr.Demento, Wolfman Jack, the love of a great DJ!

Someone who comes in live, with vinyl, new music, news and observa- tions and spins it for you, live on the airwaves. A DJ that spends hours, for the love of music, hand-picking a set to play, for a whole world to hear and enjoy. Or perhaps a live band, or a speech played live on the radio, like maybe a Dome School event, or the Barter Faire or Hemp Expo.

While TakilmaFM is not pirate anymore we still do it old schoool. Not automated, no censors, and Free Speech out the yin yang. It's for this love of music, that I'm a DJ, and hope to remind everyone that it is only with donations we stay on air. We have no paying ads or underwriters, or grant money like big stations.

We only have YOU! So I hope you'll choose to put us back on your playlist via the internet.

And send a donation if you can, to PO Box 185, CJ OR 97523.

Help save our station, your station: TakilmaFM.com.
