TALES ...

Continued from A-7

*There was a male vs. female kind of disturbance at the Forks State Park at 2:31 p.m., but the domestic issue was resolved, and they were no longer fighting when they left in a silver-colored Jeep Laredo, heading towards O'Brien at 3:44 p.m.

*Tenants were trying to move their property from the 300 block of E. River Street, but their landlord kept coming out of his garage to confront them. Since he carries a smaller gun and has other guns in the garage, they were concerned. There was no evidence of a crime, and the landlord agreed to stay inside and leave them alone at 3:20 p.m.

*There was a report of a vehicle stolen from the 7800 block of Deer Creek Road at 3:25 p.m. The vehicle was missing the rear driver's side hubcap, and there was a park service sticker on the front windshield. Possible suspect information and location pointed towards a certain space in Kerby Pines

Trailer Park, but the stolen vehicle was not found.

*Eight Dollar Road was patrolled at 4:04 p.m.

Outside the Valley
Ten log items.
Sunday, June 12
*A woman complained of an agitated guy whose driving was driving her crazy on Caves Hwy. and Holland Loop at 10:02 a.m. Apparently she and her neighbor have ongoing issues with this motorist.

*At 10:11 a.m., a resident in the 2500 block of Rockydale Road was being chased by an unfriendly neighbor with a pipe (probably not the kind that folks smoke with). The pipe-wielder was upset for being reported for a fire. The home owner stated that if the unfriendly neighbor showed up and threatened him with another blunt object, then he would shoot him. He was advised that a safer course of action may be for him to go inside and lock the doors, but he repeated that he would protect himself if his safety was threatened.

*A teenager was on the run from

the 5500 block of Rockydale Road. He has been AWOL since a prior incident when the kid stole a motorcycle, assaulted his mother's husband, and kicked in the garage door. While his parents were at a church picnic at Lake Selmac June 11, the teen stole a truck that his parents had bought for when he turns 16. The silver-colored Mitsubishi MTX pickup truck has a blue aluminum Kobalt toolbox in the back.

*An SOS alarm was triggered in the 5100 block of Holland Loop Road at 2:07 p.m.

*The driver of a silver-colored VW Jetta was warned for driving 55 m.p.h. in a 45 m.p.h. zone on Redwood Hwy. at Laurel Road at 4:44 p.m.

*James Nelson, 46, was arrested for two warrants, and cited for driving on a suspended license and two charges of failure to obey a traffic device. Law enforcement caught up with him at 4:57 p.m. at Hussey Avenue, and Nelson was detained in the Josephine County Jail.

Outside the Valley
*Thirteen incidents.

All of us here would like to thank our supporters of selling Washed Steer Manure and WSDA Organic Composted Chicken Manure. Both of these products come from small Oregon farms keeping our business local right here in our awesome state. We are proud to keep all of the wasted bags the manures usually come in from going into our landfills by selling these products in bulk. We are sorry to say that if you have missed the season we are sold out as we only sell these materials a few months of the year.

We would also like to thank the neighbors, especially Jubilee Park, for putting up with our "stinky business" for these last few months.

Stop by our New Location as our Office is ready to grow.
