Monday, Sept. 26

*At 11:49 a.m. a frustrated father was trying to pick up his children in the 500 block of Lister Way. There was a restraining order on file, and the children's mother was not turning the kids over to him for his visitation time. The deputy explained the difference between a custody order and a writ for removal, so the dad will follow up with the custody courts.

*Josephine County Sheriff's Office (JCSO) checked with Oregon State Police (OSP) to see if they needed assistance for an incident at Schumacher Street and S. Hussey Avenue at 12:24 p.m. Everything was under control.

*For some reason a guy in a black Honda needed a licensed driver to take him from St. Patrick of the Forest Catholic Church on River Street to a residence on Old Stage Road at 1:56 p.m. JCSO followed them there.

*At 2:31 p.m. a belligerent broad stole something from Selma Ray's Food Place in the 1000 block of Deer Creek Road, then came back threatening and pushing employees and harassing customers. She was described as wearing black shorts, a red shirt, riding a bike and carrying a 3" metal rod.

*At 3:34 p.m., the she-monster pedaled her bike down the road and was causing a disturbance at the Selma Community and Education Center (SECE). She was throwing trash around the property and stealing groceries from clients. The 5-foot-9, 105 pound female with short, dark brown hair was warned for trespassing at Selma Ray's Food Place and the SECE.

*Two women were heard screaming and cussing at 4:48 p.m. from the 300 block of June Drive. It was just a gal arguing with her

boyfriend, and they were gone when law enforcement arrived.

*The driver of a maroon Saturn was pulled over by JCSO at 5:15 p.m. in the 1300 block of Rockydale Road. He was cited through CJ Municipal Courts for driving with a suspended license, uninsured driving, visible emissions, and illegal display of 2017 tag on a vehicle registered in 2015. The negligent motorist was warned of the tow ordinance.

Outside the Valley

*Eighteen calls.

*All was fine at Jubilee Park at 11:39 a.m.

*JCSO conducted a patrol of the south side of the creek at MP 34 on Hwy. 199 at 11:39 a.m.

*A white Alumina Free Spirit 28-foot travel camper was reportedly stolen from FS Road 4611 between 6 p.m. Sept. 18 and 11 a.m. Sept. 20. Personal belongings, food and other supplies were also missing. On Sept. 20, a couple in a silver-colored Ford F250 were seen at that location, and they appeared to be smoking out of a water pipe similar to one that was missing. An office chair in the back of their truck resembled one of the stolen items. When the driver of the Ford was confronted in CJ, he seemed very on edge but denied any knowledge of the theft. The incident was referred to the U.S. Forest Service for further investigation.

*There were no problems when JCSO patrolled the area across from Forks State Park at 12:17 p.m.

*At 12:43 p.m. a landlady in the 200 block of McMullen Creek Road requested deputy contact to evict a mentally disabled guy, his mother, and their two Pomeranian dogs from a trailer on her property. *Matthew Peter Sawyer, 43, was charged with unlawful possession of a firearm at Speedy Mart at 305 S. Redwood Hwy. at 12:52 p.m. He was cited to appear in lieu of arrest.

*A deputy was flagged down by a citizen at the CJ Substation at 10:36 a.m.

*A landlady in the 200 block of McMullen Creek Road rented trailer space for \$600, or \$400 according to her tenants. The arrangement wasn't working out well, with one tenant screaming for hours, and the other had a warrant pending for abscond. All parties were advised of options at 1:24 p.m.

*Folks were warned for using their generator on the parking lot of Jubilee Park at 11:31 a.m.

*An alert citizen spotted a green quad hidden under bushes in the 300 block of Wells Drive at 1:19 p.m., found it highly suspicious and alerted law enforcement. Two quads had been stolen during the early morning hours from Dave's Power Equipment, and they were recovered due to that tip. A report was filed for first-degree theft and second-degree criminal mischief.

*A security guard at the Junction Inn suffered a broken knee cap during an altercation with a trespasser with

a gun at 9 p.m. Sept. 27. At 7:30 a.m. the stocky unwanted visitor with a full reddish-brown beard returned with his bald side-kick. He told employees that if the security guard was not fired, he would return and do damage to the Junction Inn. He even brought his own handcuffs and was trying to place the guard under arrest. Law enforcement logged the information as unfounded as an assault.

*Frantic folks thought someone was shooting at them from trees near the Tiger Preservation Center in the 28000 block of Redwood Hwy. at 4:53 p.m. They could see the dust where the bullet hit near the front of their motorhome. A neighbor also heard the gunshot, but law enforcement could not find the shooter.

*The security guard at the Junction Inn has been dealing with trespassers recently. The guard injured his knee during the initial episode. The latest incident occurred at 12:01 p.m., when one rabble-rouser returned wearing a firearm on his hip, but he did not make contact with the guard. He drove off in a white Lincoln Town car with a blue top. The assault allegation was still deemed unfounded, and the guard was advised of his options.
