Despite great effort, boys drop 2

The varsity boys' team from Cascade Christian came to town with a ranking of No. 3 in their state division and then got busy proving why. The Challengers brought their height, quickness, and skill and left little chance for the Cougars to keep up. Even though the Cougars are talented, energetic and entertaining, they were outmatched in this game. That did not stop them from trying their best and keeping their composure throughout the game. The Challengers doubled the Cougars' point production throughout the game that ended at a score of 29-64. Skylar McLanahan led the home team in scoring with 15, Bryce Brunner had eight, and Tanner Davis had four.

The boys took on the Gold Beach Panthers Saturday evening at home in

the Ken Mann Gymnasium in front of a light crowd. After spotting the visitors 10 points at the beginning, the Cougars got to work to keep the game interesting. Skylar McLanahan scored nine of the Cougars' 11 in the first period, which ended 11-18. In the second, the Cougars gradually caught up and tied the game at halftime at 34 after seven more points by McLanahan, six by Elijah Polk, and five by Caleb Hess. The Cougars shooting went cold in the third despite four more points by Polk, who made four free throws in the fourth to total eight points from him in the final period. The game ended with the score Gold Beach on top 62-54. Polk had a breakout game with 18 points, eight of which were foul shots; 17 for McLanahan; and Hess with 10. The Cougars will be back in league action Friday night at home against Lakeview.
