

Tales from the Rural Patrol

(Editor's note: Factual information for 'Patrol' is provided by official law enforcement agencies. All persons listed are innocent until proven guilty in a court of law. Charges can be amended or dismissed.)

Monday, March 13

*A chap in the 700 block of Caves Hwy. had a rude awakening when he realized that his green 1996 Toyota Tacoma pickup truck had been removed overnight without his permission. A report was filed for unauthorized use of a vehicle and third-degree theft.
*A repo man seized a vehicle from the 200 block of Kerby Street, and a soon-to-be ex-husband blamed his wife for allowing the removal. The tall 63-year-old man wearing a black leather coat and a cowboy hat headed towards Hwy. 199 after causing a disturbance at 9:22 a.m. The ex-wife was advised of her options regarding a restraining order (RO) due to his threatening behavior toward her.
*On March 12 at 2:30 p.m., a gal was in her back yard in the 100 block of Kinnikinnick Drive when she heard a volley of gun shots. She yelled that she was in the backyard, and the shooter said, "OK," then fired off

another magazine-worth. Her husband let loose with his shot gun, then phoned 911 because he was concerned that the situation might escalate. (Dueling bullets.)
*Lurline Lane was OK at 11:13 a.m.

*A deputy investigated in the 600 block of Caves Hwy. at 11:17 a.m.
*Surveillance camera footage documented a burglary between 2:35-3 a.m. at the Napa Auto Parts at 327 S. Redwood Hwy. The hooligan was recorded rummaging through a work station, stealing keys for a forklift, a Chevy van, and a Honda Fit. The photogenic fool was also filmed removing cash and deposit envelopes, placing them in a plastic shopping bag, and exiting through a roll-up door. A report was filed for second-degree burglary, first-degree theft, and second-degree criminal mischief.
*Law enforcement patrolled the 300 block of Caves Hwy. at 11:51 a.m.
*Nothing was happening at Jubilee Park at 11:58 a.m.
*The driver of a Honda Civic was warned for speeding and a defective left rear brake light at 12:16 p.m. at the intersection of E. River Street and Laurel Road.
*Minutes later at the

same location, a motorist in a white Toyota was warned for speeding at 12:23 p.m.

*At 12:56 p.m., it was reported that locks were damaged on a front door and storage unit at 311 S. Redwood Hwy.

*A deputy apprehended a fugitive at Jubilee Park at 1:58 p.m., and the criminal was cited to appear at the Clackamas County Court in Oregon City April 13.

*Jubilee Park was back to normal at 2:25 p.m.

*Law enforcement did not find any homeless people in the building at 220 S. Redwood Hwy. at 2:29 p.m.

*At 2:46 p.m., everything was still calm at Jubilee Park.

*A traffic stop at 2:53 p.m. at 24542 Redwood Hwy. ended with citations issued to the driver of a blue Ford. He was cited for driving on a suspended license and failure to carry proof of insurance, then warned for failure to carry proof of registration and improper display.

*Josephine County Sheriff's Office (JCSO) captured a criminal at 222 W. Lister Street at 2:58 p.m. Hailey Berger, 22, was detained at Josephine County Jail on a no-bail warrant for parole violation for possession of meth.

*A fellow in the 1800 block of Laurel Road phoned 911 at 3:22 p.m. to report that his bicycle had been stolen. He was not happy when the dispatcher gave him the non-emergency number, and stated that he would find the bike himself.

*At 3:27 p.m. a German shepherd fell into water and was dragged to the other bank near the Store Gulch Ranger Station. The canine's owner was afraid the swift water would sweep him away if he tried to rescue the dog. Helpful suggestions were that he find a shallow, narrow spot so the dog could swim across, or that he rent a raft or Tahiti to retrieve the mutt. Law enforcement did not assist because animals will frequently self-rescue in these situations.

*A middle-aged bicyclist had been drinking before he rode his cycle off the side of the shoulder at 18285 Redwood Hwy. at 3:34 p.m. He denied injury or need for medical attention. His bike and groceries were moved from the side of the road until he was steady on his feet. (His diet must not have been balanced.)

*Law enforcement searched for a burglary suspect in an abandoned residence at the corner of

Dogwood Lane and Caves Hwy. at 4:52 p.m.

Outside the Valley
*Twenty-three incidents.

Tuesday, March 14

*A home owner in the 9500 block of Takilma Road reported issues with neighbors who repeatedly trespassed and removed red survey stakes from Nov. 26, 2016 through March 11. Survey fees of \$1,400 were paid twice, but no-trespassing signs were destroyed. A red Mongoose mountain bike and an attached trailer were also stolen.

*Domestic disturbances occurred in the 200 block of Cedar Brook Lane at 7:30 p.m. March 13, and again on March 14. A bully arrived in a red Dodge Ram, then left in a woman's white BMW, along with the openers to her garage door and a community gate.
At 3:54 p.m., law enforcement detained him at Josephine County Jail for two counts of restraining order violation.

*Kudos to JCSO for the arrest of two trouble-makers. Damian L. Atwood, 28, was in custody at 11:48 a.m. at 406 S. Redwood Hwy. for second-degree burglary, first-degree theft, second-degree criminal mischief, and possession of meth. Robert Blase, 32, was detained at Josephine County Jail following his arrest at

the bridge just south of Cave Junction on Hwy. 199 at 12:54 p.m. for two felony warrants. Josephine County Animal Control took custody of Blase's white American terrier.

*An activated alarm in the 5000 block of Takilma Road at 11:20 a.m. was tagged as beyond available resources (BAR) by JCSO.

*At 3:47 p.m. the father of a tenant in the 7800 block of Takilma Road was yelling and screaming because his son was being evicted. He was interfering with a construction project, but his behavior was not a criminal matter so it was deemed to be BAR. Advice was given regarding stalking orders, and eviction should be complete March 23.

*A security guard at 406 S. Redwood Hwy. requested assistance with four drunks at 4:07 p.m., but they staggered away.

*An RO was served to an individual in the 19500 block of Redwood Hwy. at 5 p.m., and move-out supervision was provided.

Outside the Valley
*Twenty-three items.

As you are cleaning out this spring, don't forget about fire safety.

- Test your smoke alarms, and replace any alarms that are 10 years old or older.
- Test your carbon monoxide alarms, and replace any alarms that are 7 years old or older.
- Check your dryer vents and clean the hosing.
- Clean clutter inside and outside your home.
- Check the cords on your appliances. If any are cracked or frayed, repair or replace them.
- Practice your home fire escape plan.
