

PATROL ...

Continued from A-7

*A deputy tasered and arrested Michael Adam Massey, 36, at 2:34 p.m. Jubilee Park on a JCSO misdemeanor warrant. Massey was detained at Josephine County Jail for failure to appear for damage to property and possession of meth.

*A gal phoned 911 from the 100 block of N. Old Stage Road at 5:08 p.m., but she hung up saying that a guy was going to get super angry. When law enforcement contacted a woman in the trailer park, she had not heard of any issues.

*At 5:12 p.m., a motorist near S. Old Stage Road and Wells Drive was warned for no white light to the rear of the vehicle. He was cited into CJ Municipal Court for DWS/V.

*A driver in a red Ford pickup truck was warned for speeding near the intersection of E. River Street and Old Stage Road at 5:49 p.m.

*The operator of a Honda in the 500 block of E. River Street was cited for DWS/V at 5:52 p.m. He was warned for improper display and failure to carry proof of insurance.

Outside the Valley

Friday, May 19

*At 7:36 a.m. Oregon State Police received notification that someone had died in the 33000 block of Redwood Hwy.

*A concerned citizen noticed a black SUV in a ditch near Lakeshore Drive and Thompson Creek Road at 3:19 p.m., but he was unable to stop to assist. He phoned 911 because it appeared that the occupant was unconscious. Illinois Valley Fire District responded, and determined that the ditched driver was not injured. He pulled over to the side of the road when he ran out of gas.

Outside the Valley

*Twenty-one listings.

Saturday, May 20

*A deputy patrolled Hogue Drive and Warren Road at 12:37 p.m.

*Everything was fine at 12:51 p.m. when law enforcement scouted Indian Creek Road and Draper Valley Road.

*A grisly find was reported at 1:03 p.m. near White School Road and Smith Sawyer Road. There was a black garbage bag with 40-50 bones wrapped inside a white sheet with flowers. The caller did not know if the bones were human or animal, because he did not want to investigate further once he saw skin and liquid inside the bag. A deputy determined that it was likely animal remains, possibly someone's pet, which had probably been dragged there by wildlife.

*Dispatchers were informed of a motor vehicle accident involving a dark-colored Toyota pickup truck near the intersection of Rockydale Road and Waldo Road at 1:37 p.m. When law enforcement arrived, all that remained were fresh tire marks into a ditch at MP3 on Waldo Road.

Outside the Valley

*Twenty-three items.
