## Fire burning near Summer Lake

SUMMER LAKE, Ore. (AP) — A wildfire burning in near Summer Lake in south-central Oregon has destroyed a hunting cabin and an outbuilding.

Authorities say dozens of firefighters are tackling the blaze that has burned about 1 1/2 square miles (2.6 square kilometers) of sage brush and shrubs by Sunday morning. The fire was reported Saturday afternoon.

The South Central Oregon Fire Management Partnership says crews are fighting the blaze with helicopters, air tankers, dozers and hand crews. They're working in steep, rocky terrain to stop the fire from spreading north or south.

Drivers along a stretch of Highway 31 between Summer Lake and Paisley should expect intermittent road closure because of the smoke and emergency response vehicles.

## Library seeks signature art for Illinois Valley children's library

Josephine Community Libraries, Inc. seeks fine artwork for its children's

library in Illinois Valley, 209 W Palmer Street, that communicates a love of reading, appreciation for books, and connection with nature through artistic multi-media materials and concept content.

In early 2017, with the support of grants and community donors, Josephine Community Libraries renovated the Illinois Valley children's library, modernizing the 1960s-style children's

area and creating an exploratory, flexible, multimedia space that provides an effective environment for a variety of children's literacy programs conducive to children of different age groups.

Qualifications, based on examples of previous work, are sought from artists interested in the commission of artwork for the children's library signature art project. Applications are due by 4 p.m. on Saturday, July 29. A selection committee will choose the artist or artist team from the applications by Aug. 18

and installation of the artwork will begin late October 2017.

The budget for the Grants Pass children's library signature art is \$2,000 including artist fees, fabrication costs, installation, documentation, and other project costs. This project was made possible by a generous grant from the Josephine County Cultural Coalition.
