Continued from A-7

\*On July 21 at 9 p.m. a fellow was driving in the 2500 block of Reeves Creek Road when he saw muzzle flashes and heard five shots directed at him from a red vehicle with a white roof. He claimed that he would have returned fire, but he was unsure of his backdrop. He notified Oregon State Police, but they could not find any shell casings.

\*A home owner in the 200 block of Jeannie Way found a small, manufactured, single-axle, Eagle-brand trailer on her property at 2:42 p.m. Jerry's Towing Co. recovered the home-built covered wagon.

**Wednesday, July 26**

\*Richard Scott Moore, 51, was detained in Josephine County Jail following his arrest in the 400 block of E. River Street at 3:16 p.m. Moore had a misdemeanor warrant for failure to appear on menacing charges.

\*Joseph David Ainsworth, 38, had a felony warrant for failure to appear on charges of first-degree criminal mischief and second-degree burglary. He was arrested at Jubilee Park at 3:54 p.m. and detained at Josephine County Jail.

\*A gal phoned 911 because a guy in a blue van followed her to her work place near Waldo Road and Takilma Road at 4:17 p.m. She feels harassed because he gave her a lecture about her driving. (Well, if the shoe fits, wear it.)

\*Residents in the 300 block of W. Lister Street reported an unwanted visitor at 4:25 p.m. A big, tall guy with short black hair and goatee knocked on one door and threatened the occupant. The bold fellow walked through a gal's apartment, then down Palmer Street. He was last seen wearing a gray hat, shorts, and maroon shirt with a character design. This has been an ongoing situation, so law enforcement suggested taking photos if it was safe to do so.

**Thursday, July 27**

\*On July 26, a chap recovered his stolen

white Honda Accord from Rockydale Road at 7:10 p.m. Tools and other property had been removed from his Honda, and a tire was found 50 yards away, but he was able to drive it home.

\*Even though he had been told not to come onto property in the 4200 block of Lakeshore Drive, a husband was destroying items in a house there at 1:34 p.m. When he left, he hit his wife's car with his silver-colored Oldsmobile Integra. She stated that he pulled her hair, with no other physical contact, and there were no damages to her car or property. She was provided with information regarding restraining orders.

\*A visitor from Washington was driving a car with California license plates on Illinois River Road at 5:32 p.m. When she rounded a corner, her vehicle was straddling the center stripe, causing a deputy to drive off pavement to avoid a collision. He watched her repeat this maneuver on two more corners before stopping her. She wasn't even intoxicated. She explained that she was borrowing the vehicle, and not comfortable driving it.

**Friday, July 28**

\*The manager of Josephine County Parks requested assistance from Josephine County Sheriff's Office to trespass numerous campers from Pine Cone Drive. Posting a "Notice to Vacate" sign is not going to do the trick.

\*License plates for a Honda Accord were on a red Honda Civic with a loud exhaust at 11:54 a.m. near S. Redwood Hwy. and E. Watkins Street. A deputy instructed the individual to put the plates on the correct vehicle, and to report the incident to his probation officer.

\*At 12:24 p.m. a character in the 28400 block of Redwood Hwy. was trespassed from Josephine County Animal Control because he made threats to the employees.

**Saturday, July 29**

\*An 84-year-old man was confirmed deceased in the 14000 block of Thompson Creek Road.
