Library announces summer reading program

Sharissa Smith
IVN Contributing Writer

"Libraries Rock!" is the motto for the 2018 summer reading program at the Josephine County Library for the Illinois Valley.

Music is incorporated this year for a rocking summer. All children, infants through 12 years are invited to participate. The reading extravaganza starts Saturday, June 23, and ends Saturday, Aug. 4.

During the reading program the library will also have other activities for the readers to enjoy such as crafts, story time and a free lunch. Plus, you can come by and meet the Saint Bernard service dog Romeo during storytime at the last Saturday of every month!

The weekly goal for the children 0-9 is to read five books, and the goal for children 10-12 years is to read three chapter books. Each

child meeting their weekly goal will receive a sticker to add to their personalized reading record. Every week they will receive an additional sticker until the end of the program.

The last Saturday of the program is special in that every child who participated can come and receive a prize, whether they just completed one week, or the

whole program. "Each child meeting the weekly goal will also receive a coupon from a local business sponsor. Every participating child may also earn an additional prize by compiler. Only one bingo is allowed for each child per week," explained library manager Roberta Lee.

Lee also explained, "All books are available from all four Josephine County

Library Districts including Illinois Valley, Grants Pass, Williams and Wolf Creek. So if you can't find what you're looking for in one library they are sure to have it in another. All reading materials are eligible toward earning stickers including audiobooks and comic books." So make sure you stop by the library this summer for the amazing opportunities and adventures

that await. For more information please visit the local Illinois Valley Library at 209 Palmer Ave. in Cave

Junction between 11 a.m. - 6 p.m. Wednesday and 11 a.m. - 5 p.m. Thursday, Friday or Saturday.
