

Tales from the Rural Patrol

(Editor’s Note: Factual information for ‘Tales’ is provided by official law enforcement agencies. All persons listed are innocent until proven guilty in a court of law. Charges can be amended or dismissed.)

Monday, Nov. 19

*Afternoon naps are normal, but not on the sidewalk near Redwood Hwy. and W. River Street. The snoozers moved along when law enforcement arrived at 12:43 p.m.

*Keith Edward Hurst, 39 was apprehended near the Oregon Caves Chevron at 1:20 p.m. Hurst had a misdemeanor warrant from Jackson County Sheriff’s Office for contempt of court for non-support. Hurst was warned for no plates and no operator’s license and cited to appear in Jackson County Circuit Court Dec. 11 for the warrant.

*Two bratty young boys were throwing stuff at cars on Lakeshore Drive near Redwood Hwy. at 3:16 p.m.

Tuesday, Nov. 20

*A turkey was tangled in fencing near Happy Camp Road and Queen of Bronze Road, but it was set free at 10:15 a.m.

*Aubreyan Valyn Taylor, 30,

was taken into custody in the 100 block of S. Hussey Avenue at 12:40 p.m. Taylor was cited and released to appear for probation violation and possession of controlled substance (PCS)-meth.

Wednesday, Nov. 21

*A blue 2009 Honda Fit was repossessed from the 600 block of Hummingbird Road Nov. 20 at 4 p.m. The owners were not aware but might throw a fit when they find out.

*At 11 a.m. a tenant in the 100 block of Ollis Road claimed that five or six people were damaging his RV. Upon inspection, it was determined that the noise he heard was rain hitting his trailer, and it was rain water, not oil, leaking on the ground.

*Good fences usually make good neighbors, but this was not the case in the 10500 block of Takilma Road Nov. 19.

*The tenant in the 100 block of Ollis Road phoned 911 again at 1:53 p.m., claiming that his neighbor was drilling holes into the roof of his trailer. No damage could be found, so the man who cried wolf was warned for misuse of 911. He was advised that he might need to stop drinking, considering his behavior with the

combination of rain and alcohol.

Thursday, Nov. 22

*At 12:51 p.m. a citizen was concerned because folks were shooting from apartments in the 100 block of Kendall Road, and there is an above-ground propane tank in the area. They weren’t shooting at the tank, and it is legal to shoot in the county.

Friday, Nov. 23

*A highly intoxicated gal wearing a red poncho top, black pants, and high heels was being disorderly in the 200 block of Ollis Road at 12:15 p.m. When a resident said she was reporting the trespasser to 911, the not-so-classy lass knocked the plants off her front porch.

*The rowdy woman continued her escapades when she punched a man in the 400 block of W. River Street at 12:25 p.m. She was last seen getting into a bright blue 2010 Ford Ranger with a black German Shepard.

*Siblings were feuding in the 400 block of Old Stage Road at 3:34 p.m. Carlito Cordial was detained in Josephine County Jail (JCJ) for second-degree assault domestic violence. His sister received medical

attention for neck injuries.

Saturday, Nov. 24

*Dirt bags have been waiting until the dump closes to drop off their trash in the 900 block of Kerby Mainline Road. On Nov. 23 they cut several holes through a six-foot chain-link fence, so they could drive a vehicle inside. The pack-rats also broke in through a walk-in gate, and then stole scrap steel from the metal bin.

*A fugitive was arrested at 2:37 p.m. in the 23100 block of Redwood Hwy. Jeffery W. Eaton, 35, had a felony warrant from Union County Sheriff’s Office for first-degree sexual assault, so he was detained in JCJ. Eaton was also cited for no insurance and failure to register his green Lexus.

*Kaleb Barteel was taken into custody in the 100 block of N. Redwood Hwy. at 3:47 p.m. Barteel was detained in JCJ on his warrants from JCSO for failure to appear for third-degree theft and larceny.

Sunday, Nov. 25

*Sarah Ivory Jaentsch, 27, was taken into custody near W. River Street and N. Hussey Avenue at 11:30 a.m. Jaentsch was detained in JCJ for

a warrant from JCSO for failure to appear for second-degree criminal trespass.

*The driver of a gold-colored Chevy Malibu was warned for failure to carry and present a driver’s license when he was pulled over by law enforcement at 3:01 p.m. near Redwood Hwy. and Rockydale Road. The fellow from Florida had lived in Oregon for seven months, but he was unaware that he had to register his vehicle in Oregon. He also claimed to be aware he was speeding, but he felt like he could do that because where he comes from, everyone drives fast. It didn’t work; he was cited for failure to register his vehicle and speeding 78 in a 55-mph zone. (Guess what, Toto, you’re not in Florida anymore.)

*A man and his grandson were walking their puppy on a leash near the 600 block of Fernwood Drive at 3:03 p.m. A neighbor’s German Shepherd ran out after the young dog, so the grandfather fired two warning shots in the air. That didn’t stop the attack, so the man kicked the large dog three times. The out-of-control canine continued, and the grandfather was worried for his grandson, so he shot the dog from five feet away.

Christmas Tree Safety

As you deck the halls this holiday season, be fire smart. A small fire that spreads to a Christmas tree can grow large very quickly.

PICKING THE TREE

- Choose a tree with fresh, green needles that do not fall off when touched.

PLACING THE TREE

- Before placing the tree in the stand, cut 2" from the base of the trunk.
- Make sure the tree is at least three feet away from any heat source, like fireplaces, radiators, candles, heat vents or lights.
- Make sure the tree is not blocking an exit.
- Add water to the tree stand. Be sure to add water daily.

LIGHTING THE TREE

- Use lights that have the label of a recognized testing laboratory. Some lights are only for indoor or outdoor use.
- Replace any string of lights with worn or broken cords or loose bulb connections. Read manufacturer's instructions for number of light strands to connect.
- Never use lit candles to decorate the tree.
- Always turn off Christmas tree lights before leaving home or going to bed.

After Christmas

Get rid of the tree after Christmas or when it is dry. Dried-out trees are a fire danger and should not be left in the home or garage, or placed outside against the home.

Check with your local community to find a recycling program.

Bring outdoor electrical lights inside after the holidays to prevent hazards and make them last longer.

FACTS

- One of every three home Christmas tree fires is caused by electrical problems.
- Although Christmas tree fires are not common, when they do occur, they are more likely to be serious.
- A heat source too close to the tree causes roughly one in every four of the fires.
