

Tales from the Rural Patrol

(Editor’s Note: Factual information for ‘Tales’ is provided by official law enforcement agencies. All persons listed are innocent until proven guilty in a court of law. Charges can be amended or dismissed.)

Monday, Dec. 3

*A red vehicle was spotted 50 feet down a ravine, a mile up Tartar Gulch from Althouse Road at 10:11 a.m. A gal acknowledged that she went off an embankment near there in early June. When she returned, she could not locate her small red pickup truck and thought it had been stolen. A flatbed trailer was required to transport the stripped vehicle because it was heavily damaged and had no wheels.

*Dottie Greenlee, 32, and Jonathan Nemoede, 36, were arrested near Holland Loop Road and Hays Cutoff Road at 2:05 p.m. They both had probation violation detainers, so they were

transported to Josephine County Jail (JCJ).

Tuesday, Dec. 4

*Some spineless individual left bones by a light post in the 24300 block of Redwood Hwy. at 3:12 p.m. A security officer retrieved the unidentified skeletal parts, and the ghoul was trespassed from the property. (Did the culprit have a bone to pick?)

Wednesday, Dec. 5

*Surveillance footage captured images of a hooligan who threw a large rock through a window in the CJ Sub-station in the 200 block of W. Lister Street. He was then seen crossing Lister Street and obstructing traffic by causing a driver to stop her vehicle. A report was filed for second-degree criminal mischief and second-degree disorderly conduct at 8:33 a.m.

Thursday, Dec. 6

*A gal in the 10000

block of Takilma Road came home Nov. 28 and discovered that two outside walls had been removed from her wood shed.

*An older gentleman with gray hair was seen driving his silver-colored Chrysler convertible all over the roadway near Rockydale and Waldo shortly before 4:38 p.m.

Friday, Dec. 7

*Jack Hugh Steinhoff, 34, was arrested near the 100 block of Deer Creek Road at 9:45 a.m. Steinhoff had a misdemeanor warrant from Grants Pass Department of Public Safety for failure to appear for unauthorized entry into motor vehicle and unauthorized use of a vehicle. JCSO held a misdemeanor warrant for failure to appear for second-degree trespass, third-degree criminal mischief, and attempt to commit a class-A misdemeanor. Steinhoff was detained in JCJ.

*There was a

disturbance at 11:34 a.m. regarding a Chevy Camaro that had broken down and was sitting in a lot in the 200 block of W. O’Brien Street. The property owner claimed the vehicle had been there since August, so they summoned a tow-truck. The situation escalated with graffiti and a broken car window. A man needed medical attention after he was struck in the back of his head with brass knuckles. A woman screamed that a man held a gun to her head, but he insisted his gun stayed in his back pocket. (So, her head would have been where?)

*Three Stihl falling chain saws were stolen from a brown and white 1993 F-250 pickup truck parked along Little Grayback Road Dec. 4. Financial information and other items were stolen from the tree-faller’s travel trailer while he was in the woods with the Carr fire in Redding, Calif.

Saturday, Dec. 8

*New-fangled bank robbers struck at the Pacific Pride on old Hwy. 99 at 1:03 a.m. They strapped a chain to the automatic teller machine (ATM) and drove off, dragging the ATM behind a dark gray F150 pickup truck. (Most folks use a debit card.)

*A man, 70, was confirmed deceased in the 200 block of Pine Tree Way.

*Employees with Pacific Power Company ran into some obstruction in the 1700 block of Deer Creek Road at 2:15 p.m. A spunky gal in a silver-colored Toyota Camry with Texas license plates claimed she worked for the FBI and Trump, and she refused to let them leave.

Sunday, Dec. 9

*Trespassers in the 300 block of Finch Road were given until Dec. 12 to fly the coop.

Winter holidays are a time for families and friends to get together. But that also means a greater risk for fire. Following a few simple tips will ensure a happy and fire-safe holiday season.

- HOLIDAY DECORATING**
 - Be careful with holiday decorations. Choose decorations that are flame resistant or flame retardant.
 - Keep lit candles away from decorations and other things that can burn.
 - Some lights are only for indoor or outdoor use, but not both.
 - Replace any string of lights with worn or broken cords or loose bulb connections. Read manufacturer's instructions for number of light strands to connect.
 - Use clips, not nails, to hang lights so the cords do not get damaged.
 - Keep decorations away from windows and doors.
- HOLIDAY ENTERTAINING**
 - Test your smoke alarms and tell guests about your home fire escape plan.
 - Keep children and pets away from lit candles.
 - Keep matches and lighters up high in a locked cabinet.
 - Stay in the kitchen when cooking on the stovetop.
 - Ask smokers to smoke outside. Remind smokers to keep their smoking materials with them so young children do not touch them.
 - Provide large, deep ashtrays for smokers. Wet cigarette butts with water before discarding.

Before Heading Out on to Bed
Blow out lit candles when you leave the room or go to bed. Turn off all light strings and decorations before leaving home or going to bed.

- FACTS**
 - One-third of home decoration fires are started by candles.
 - Two of every five decoration fires happen because decorations are placed too close to a heat source.
