My beautiful red-haired mother of Cave Junction went to be with our Lord. She ran the race. She left behind her four children: Michael Nye, Robert Nye of Susanville, CA, Wendy Bisbing of Muscle Shoals, AL, myself, Constane Weaver of Cave Junction, her adopted son John Price of Texas, her best friend Carl Edward Warren, brother of Escondido, CA, 12 grandchildren, many other nieces and nephews, and friends and family.

She went to join her mother, Doris Warren and father, Carl Warren both of Cave Junction, Warren William of Belox, MS, her ex-husband, and love of her life for 35 years, husband, David Malone of Cave Junction who recently left us.

Mom, we all loved you so much. You touched so many lives and you deserve all heaven has to offer you!

Trump et. al

The events this past week are truly shocking if you are an American. Donald Trump the defeated Presi-

dent incited his followers to invade the Capitol building.. What followed then was violence .

These Trump supporters wanted to hang VP Pence because he refused Trumps wishes to illegally overturn a legitimate election.

At the time these unbelievable events were unfolding county commissioners Fowler and Deyoung were attending a pro Trump rally protesting the election and the governor's pandemic restrictions with ICU filling up locally.

If ever it proves Fowler and Deyoung are unfit to hold public office this is it.

They obviously support Trump's actions of inciting violence and they care little about the county's health.

This is not the America I love and these 2 county

commissioners are criminal in aiding and abetting violence by their support of Donald Trump. We must find a way to remove them from office.

Deyoung even alters his oath of office and the judge lets him do it again.

Wake up people.
Sincerely,
**Mark Seligman

Curious

I'm wondering whatever happened to the vandalism charges against Christine P. Gardiner?

Also, has Christopher Hall, former mayoral candidate moved out of the Gardiner's home in the city?
