Lots of fun this week on the golf course!
Monday night there were 4 skins winners as D’Lynn and the rest of the Florida guys got “rained” out and finally gave some of us “hacks” a chance at winning.

The first skin was won by Matt Stone with a birdie on #2, then came Todd Johan with the lone par on #4, then Scott Kern with a par on #6, then Colby Nichols with a surprise birdie on #8 and finally, a carry-over till next week on 9 with a one-tie-all-tie to be decided by a chip-off by whomever shows up.

The normal Friday afternoon and evening Friends and Family and Kids night was disturbed by team Rex Denham (Todd, Terry and out-of-towner Jason Gill) and team D’Lynn Roach (Scott, Colby, Dave Schutt and Jim Losey) travelling to Grants Pass for their annual Pro-Am. Larry Becker reports that he and Mike Milner were the only players on Friday night and Mike took \$5 off Larry. Hope to regroup this coming Friday and look forward to seeing a bunch of folks show up for good food and fun.

In Grants Pass Pro-Am news, Terry and Scott both won elusive skins on Saturday with Terry a 3 on a par three and receiving 2 handicap strokes to make a net 1. Scott scored a natural birdie 2 on a par three with a handicap stroke to make a one as well. Skins were worth \$1350 total so we shared it three ways with someone from Grants Pass to give me and Scott \$450 each. Of course, we both spent the total amount buying drinks for our teammates and friends at the tournament.

Other notables included Todd and an out-of-town teammate Joe Lindgren with a tie for 12th place net scores for \$60. Former Cave Junction Jr. golfer, now asst pro at GP, Roger Hults, picked up second gross pro for \$400. And my nephew, Tannon Rounsaville tied with our favorite lady golfer Johnna Neeley for 6th gross with 74 and they picked up \$115 each, and Jim Losey was second net on Friday to win \$115 This was a large tournament with 133 players and took 7 hours on Saturday and about 6 1/2 on Sunday. We got to meet up with some old friends, and met a few new ones too. Everyone went home exhausted, only to tromp on to Rogue Valley Country Club the next day for another 2-day tournament. Whoopie!! (hope the food is good and the drinks cheap). I’ll report on that tournament next week.

Former I.V. pro, Rex sunk some incredible putts, and after each exclaimed, “And they said he couldn’t putt.” That is definitely going to be carved onto his headstone someday. He is still hitting the ball well, dispensing good advice and golf wisdom that can only come from being a PGA pro for over 50 years.

Grass is growing like weeds and weeds are growing like weeds too, hope to get some volunteers back to do some serious mowing. We won an auction at Jackson County Fairgrounds and picked up a really nice “fixer upper” utility cart for our night waterman and crew to use maintaining grounds. Scott Kern took the top of the engine apart, cleaned it all up and somehow managed to get it back together correctly and it is running perfectly. Glad to be able to provide our generous volunteers a nice piece of equipment to help in their valiant efforts to keep the course looking great.

Best wishes to everyone this week and “tee’em high and hit’em low”...or is it “hit’em high”?...tee’em low?...I guess that’s why I’m still +20 handicap!
