Communities Gather

Members of the Haines and North Powder communities filled the gymnasium last Friday to honor the life and family of Lauren Loennig. Lauren's father, Gerald, would like to thank everyone for the extreme kindness shown to him and his family.

The Loennig's asked that memorial contributions in Lauren's name be given to the Sierra Bingham Heart Fund. An account has been established at the Baker City Branch of Umpqua Bank and your financial contribution will be greatly appreciated, not only to honor Lauren, but to help defer the costs associated with the expenses the Bingham family incurs as they face a second heart transplant for Sierra.

Thanks, Connie and Betty

I am so appreciative of the way the Haines and Rock Creek Cemeteries are kept. Thank you to Connie and Betty Brown, and of course, to the cemetery board.

Volunteers are Appreciated

In addition, I would like to thank all of the volunteers in the greater Haines community who make this such a great place to live. Sometimes it's easy to take that for granted, but what if we didn't have people willing to volunteer their time at the museum, serve on City Council, read with kids at school, raise money for fireworks, organize events like the Haines Stampede, train for and answer the call to put out a fire, lead a Cub Scout Pack or 4-H Club, care for the cemetery, or be a part of Neighborhood Watch? Thank goodness that Haines has always had people willing to step up to the plate and do the work that needs to be done. Is it your turn? You have a lot of talent and abilities which could be shared with a variety of organizations.

Hollywood Director and Wife
Rent Dunn Residence on Visit
Tuesday

Charming Mrs. Josh Logan accompanied her director husband from Hollywood here Tuesday, and located a rental residence for the summer when the award-winning Paramount Pictures director is filming the musical "Paint Your Wagon."

The couple when they return about June 1 will occupy the Mrs. Austin Dunn home at 2275 2nd St. With them will be a 19-year-old son and three of his boy friends.

Mrs. Logan was very generous with her enthusiasm upon her first

visit to Baker, pleased at finding such a nice town and friendly people. She found the home of the late attorney Austin Dunn and Mrs. Dunn very charming and within easy walking distance of downtown. It has five bedrooms and will fit their needs perfectly, she said. Mr. Logan left the choice of a rental up to his wife, and they both were shown a number of nice homes by Vern Manary of the chamber of commerce, accompanied by Paramount's production manager Carl Beringer. The couple decided to leave several of the other dwellings for other executives who will also be here for the summer.
