

## WELDING

continued from page 1

Dan Koopman, Director of BMCC

Foreign exchange students and friends Frederike Gruben of Germany and Selina Lienhard of Switzerland were introduced to welding this week.

Rodd Isham, (center) Quality Control / Production Manager of Behlen Manufacturing instructs students.

"This week we are introducing students from a variety of Asian countries, Germany and Switzerland to welding." Koopman commented. Some of the local ranching kids

who may have some prior welding experience are benefiting from the experience, as well. Koopman is coordinating his efforts with

Ag and FFA instructor, Jessica Wilson. Burnt River has a number of foreign exchange students to help support the school's own enrollment.

## OSP Fish and Wildlife Division Asking for the Public's Assistance with Poaching Case in Baker Baker County

The Oregon State Police Fish and Wildlife Division is asking for the public's assistance in locating the person(s) responsible for the unlawful taking of two bull elk near Sparta, within the Keating Wildlife Management Unit, located in Baker County. A TIP reward of \$500 is being offered for information leading to the arrest of the suspect(s) responsible for the unlawful killing of two bull elk.

On February 26, 2016, OSP was notified of multiple dead elk located off of Sparta Road between Sparta and Richland. On February 27, 2016 OSP F & W Troopers responded and located the remains of two dead bull elk. The investigation determined the two bull elk had been unlawfully shot and killed.

A reward is being offered by the Oregon Hunters Association through the Turn-in Poachers (TIP) program for any information leading to an arrest and conviction in this or any other wildlife offense. Callers can remain anonymous. The TIP program number is 1-800-452-7888.

Anyone with information regarding this particular offense is encouraged to contact Senior Trooper Brad Duncan with the Oregon State Police in Baker City at 541-519-7867 or 541-523-5866.

## Baker County Herbicide Giveaway Dates

- For 2016, Baker County Weed District will again be giving out herbicide on the following locations, dates, and times.
- This fully mixed, ready-to-go herbicide will be targeting whitetop and scotch thistle.
- Folks need to bring chemical-resistant containers, preferably gas or oil cans, and a pair of chemical-resistant gloves.
- Please, no food containers. There will be a five gallon limit imposed for each residence.
