OF ART AND OPINION

Prevention of nuclear war is a concern
that embraces all people of all beliefs,
political persuasions, colors, creeds, & races...

It is time for people to rise to their full
moral and spiritual height, to take the
world on their shoulders, and to say

I will save the earth.

Each person can be as powerful as the
most powerful person who ever lived.

Dr. Helen Caldicott

CALLIGRAPHY BY Rita Brown
