

"I really don't know why they didn't think of it a long time ago."

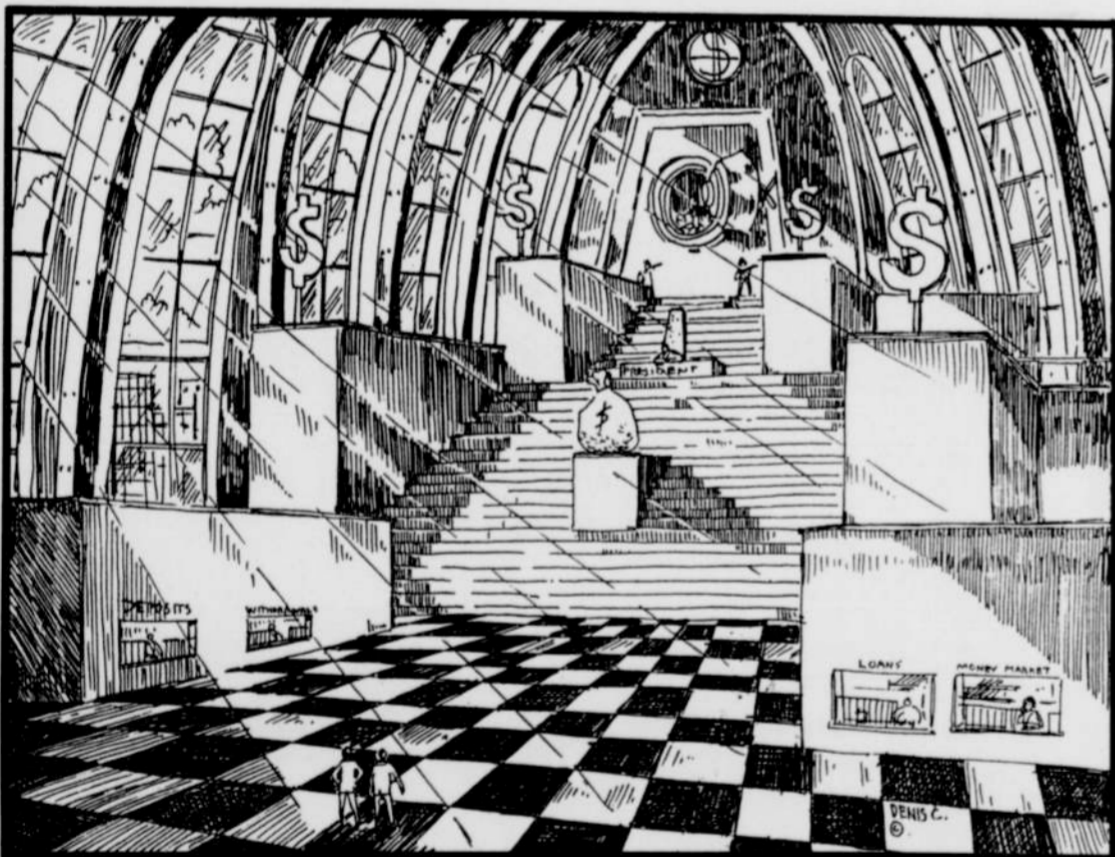

"Well hon, it looks like the reintroduction of the American timber wolf to the forest seems to be working out very well indeed!"

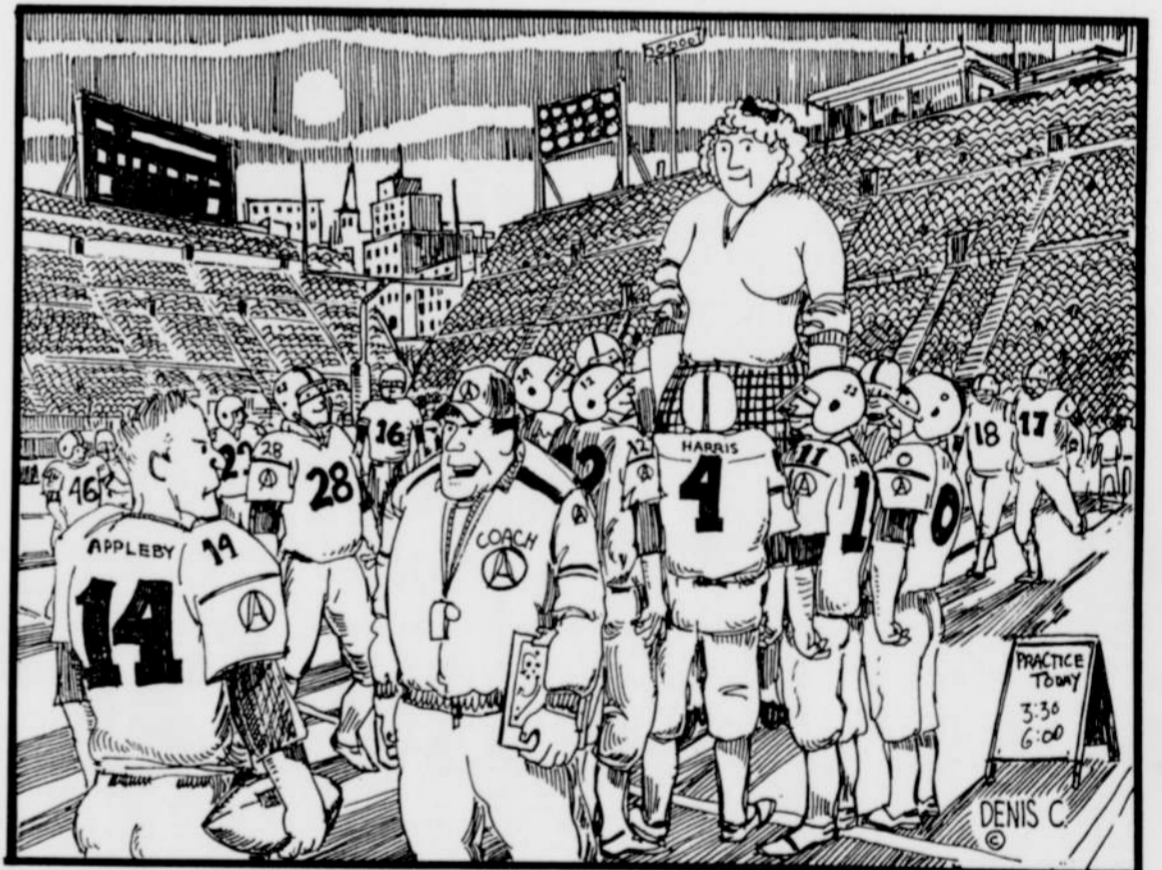

"I think we ought to let the boys at mission control in Houston handle this one."

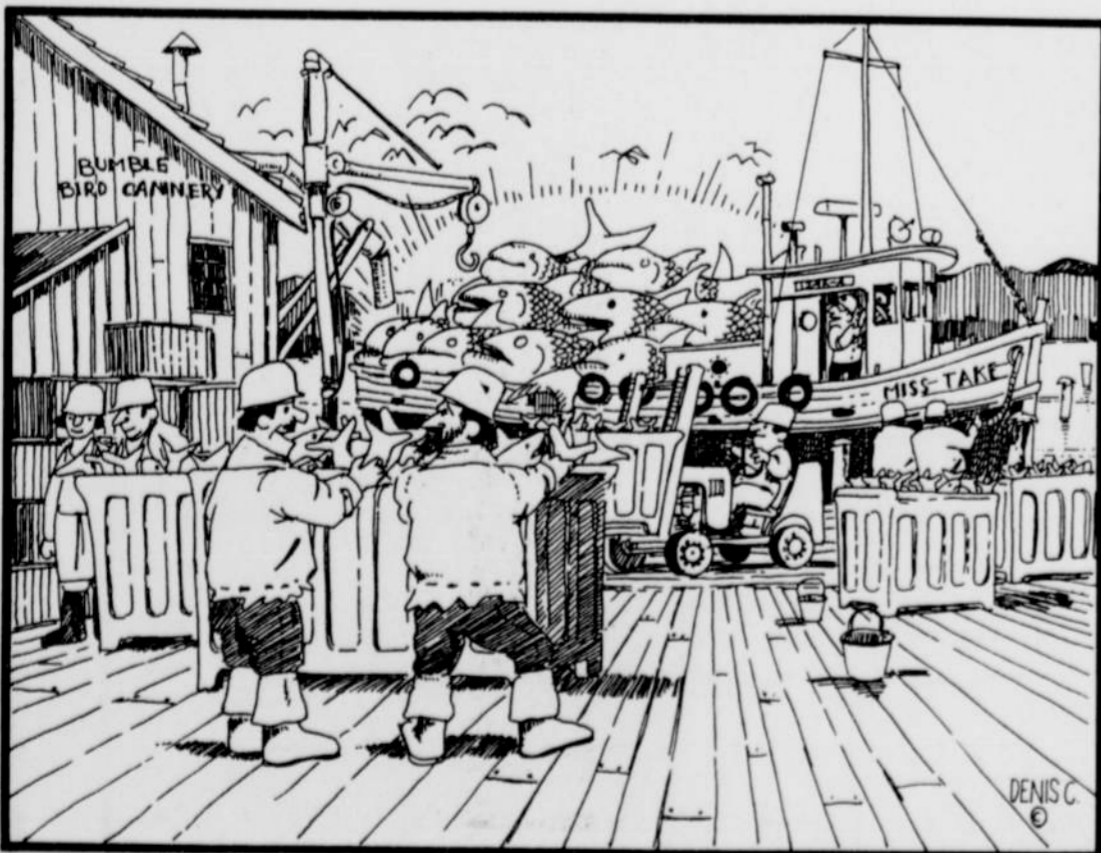

"Me?...Oh I'm just taking a little time out from the pursuit of excellence."

"Maybe the architecture is a little intimidating for a bank...but at least it's honest."

"Me...sexist? Hell, if your sister wants to play on the team it's OK with me."

"Ol' Harv?...Oh he fishes way way up river...Near Hanford."

"...and would you believe that we built every stick & stone ourselves without the help of banks, architects, contractors or building inspectors?"
