

DALE FLOWERS

You can safely assume you've created God in your own image when it turns out that God hates all the same people you do.
(Quote by Father Tom)

Dale Flowers proclaims his first love to be drawing cartoons. Writing comes in second. He is able to spend much more time at each (or both) since retiring this past summer from teaching high school in Astoria. Quite obviously he has concentrated on the recent midterm elections; their subsequence will assuredly be reflected in his droll scribbblings of either art.
