Dear Sir:

I would be interested in receiving a weekly copy of your newspaper printed in both Spanish and English. I would use this newspaper as a practical aid to my college Spanish course.

Gentlemen:

When another teacher brought me a copy of the Opportunity News I saw an opportunity to make the Spanish language closer to the classroom, while creating a greater social awareness among my Spanish students. The newspaper would provide valuable material for my

Spanish classes, and I would appreciate having three copies a week, one of which would go to the library. Thank you.

**Four little Russian artists visit news office**

Last week our newspaper office was visited by four artists. Four young Russian children sat quietly and drew beautiful colored pictures to decorate our walls.

Left to right: Anna Kuzmina, Afrosinia Kuzmina, Olimpiata Bsargin and John Bsargin. Elaine Kawasaki, Woodburn VISTA volunteer takes care of these young ones so their parents are able to attend a class in spoken English.
