### GET READY TO VOTE

By Ben Graham, Jr.

Just a short reminder for those of you who have registered to vote. If you were registered 30 days be-

fore May 24, 1966, you will be receiving a Voters Pamphlet in the mail. This is your guide to the candidates and should be kept by you until after the Primary in May. The

Woodburn Opportunity Center under Juan Ruiz is planning a meeting for all voters and other interested parties in a few weeks. Every one who is registered in Marion County and receives the Voters' Pamphlet

should attend this meeting. There will be a discussion and possibly a visit by a candidate. Be sure and watch the paper for the announcement of time and place for the voters' information meeting.
