I'm going to stay here in Oregon and try to buy a house here because I like it here and I have an opportunity here that I did not have over there. I get help to take care of myself in the winter.

Yours truly,
Alberto Ramos

a mantener a mi familia.

Me voy a quedar en Oregon y voy a tratar de comprar una casa aquí porque me gusta y tengo la oportunidad aquí que no tuve en Texas. Puedo conseguir la ayuda necesaria para cuidarme a mí y a mi familia en el invierno.

Atentamente Su Servidor,
Alberto Ramos

LETTER FROM NORBERTO CAVASOS

(continuación de la p. 1)

es to enjoy it.

For example, I left school when I was 13 years old and had to work for a living all the way. Well, I am 38 years old now and I never got a chance to go back to school. Here in Oregon I got that chance. I am in school again and it is something I need very bad.

If I want to go into training for a job, I can get help to do so. For example, if I'd like to be a welder I could go to welding school. Or as a mechanic. I never got an offer like that in Texas, so friend I think that after all my worry everything is going to be all right after all. So, friend, I think that with the help of God and if I'm willing to study and learn what I'm being taught, I will be another man when you see me again.

Your friend,
Norberto Cavasos

de ellas.

Por ejemplo, yo dejé de asistir a la escuela a los 13 años y tuve que trabajar para ganarme la vida. Pues ya tengo 38 años y hasta ahora no he tenido la oportunidad para volver a asistir a la escuela. Aquí en Oregon, me dieron esa oportunidad. Asisto a la escuela otra vez y es lo que me ha hecho mucha falta.

Si quiero entrenarme para conseguir mejor empleo, puedo conseguir la ayuda necesaria. Por ejemplo, si quiero hacerme soldador puedo asistir a clases de soldadura. O me puedo hacer mecánico. Nunca me ofrecieron tal oportunidad en Texas; así amigo, creo que por fin, toda mi preocupación se va a acabar bien. Así amigo creo que con la ayuda de Dios y mis ganas de estudiar lo que me enseñan, será otro hombre cuando nos volvamos a encontrar.

Su amigo,
Norberto Cavasos

Senator Wayne Morse of Oregon said Tuesday that plans are being made to change the Tongue Point Job Corps Training Center at Astoria, Oregon, from men to women. The Tongue Point center presently houses 500 young men trainees and is operated by the University of Oregon.

The change was recommended by the Office of Economic Opportunity and Arthur Flemming, president of the University of Oregon. Details will be announced later.

WANTED: A FEW MORE LINES OF DIALOG FOR THE PLAY ON PAGE 4

There's a short play on page 4—a some conversation that might be real.

Read it two or three times and try to imagine that you are there. Does it give you any ideas? What else did the characters say? Or, if you prefer, what happened at some later date?

We want you to have some fun, getting into the family discussion, and so we invite you, first, to write some more lines, and second, to send them to us. Maybe we'll find space to print a few of the writings we receive. (We can imagine Mrs. Jarvill reading your dialog and saying, "I wish I had thought of that!")
