

A NOTED VISITOR.

Great interest has been created in Portland over the announcement that it is the intention of a most prominent man in National affairs to visit the city next week. That he and his party will be received with open arms there is no doubt, and there is no question but what next week will be one that will be long and pleasantly remembered by every one.

No doubt there will be many attempts to get expressions of opinion as to the political situation of the day from "The Senator," or some of the members of the party accompanying him, but how successful the attempts will be remains to be seen. "The Senator" will probably tell all he has to say to the audiences of the Baker Theater, where he will hold forth the entire week, beginning with Sunday matinee. The Neill Stock Company will produce "The Senator" in its usually artistic manner. The play is strictly comedy of the highest class, and one which has never failed to please, wherever produced.

DANCE AND SMOKE.

The organization of an Iron Trades Council has been completed in the city, which includes the Machinists, Blacksmiths, Molders, Patternmakers and Boilermakers. The council will meet every second and fourth Monday in the month in room 227, Chamber of Commerce building. The event of the organization will be celebrated November 12 by a grand ball at Arion Hall, Second and Oak streets. Tickets 50 cents. Again, on November 28, a free smoker will be given in the Alisky building, corner Third and Morrison, room 400. To both of these social functions the members of organized labor and their friends are cordially invited.

In next week's issue of the Labor Press an extended report will be given of the organization of the Iron Trades Council, its officers, etc.

The Geological Survey, in its report on accidents in the coal fields of the United States last year, announces the total as 4643, and the loss of life at 1467.

FOR RAFFLE.

Three chess tables of unique design, beautifully inlaid with native and foreign hard woods—elegant pieces of furniture that would be an ornament to any parlor or library, as well as being useful. The tables were made by W. H. Brackett, a pioneer of '49, who has acquired the venerable age of three score years and three. The tables can be seen at 229 Ankeny street. Tickets 50 cents.
