

STANDING OF FEDERATION

Office of the Secretary
Oregon State Federation of Labor
Room 304, 162 Second St.
Portland, Ore., Oct. 1, 1936.

To All Trades Unions in Oregon:

Greeting—In connection with the quarterly report of the financial status of the Oregon State Federation of Labor, it is the desire of the Executive Board that the question of thoroughly considering the political phase of the labor movement be made a prominent feature of the next convention of the O. S. F. of L. and in order that the subject may come properly and intelligently before the delegates convened, we take this means of preparing the delegates for the most profitable discussion of the proposition before the convention next January.

As you are doubtless aware the American Federation of Labor has, through its Campaign Committee, recommended to all Central Bodies the advisability of organizing in each state, a definite course of action to be pursued by all labor organizations affiliated with the A. F. of L. during political campaigns, and we would suggest at this time that the proposition of submitting this matter at our next convention be thoroughly threshed out on the floor of every local union, thereby coming to some positive conclusion as to what we want in this connection.

We think the very best plan that can be adopted would be for each union to instruct its delegates to the Oregon State Federation of Labor, next January, to support the plan outlined by President Gompers in his circular letter of July 22, ult. He says:

"We recommend that central bodies and local unions proceed without delay, by the election of delegates to meet in conference, to formulate plans to further the interests of this movement, and in accordance with the plan herein outlined, at the proper time and in the proper manner, nominate candidates who will unquestionably stand for the enactment into law of labor and progressive measures."

And further, "Whenever both parties (meaning the two leading political parties) ignore labor's legislative demands, a straight labor candidate should be nominated so honest men may have the opportunity in exercising their franchise to vote according to their conscience, instead of being compelled either to refrain from voting or to vote for the candidate and the party they must in their innermost souls despise."

Now, if each union would take up this question at as early a date as possible, discuss it carefully and thoroughly, vote upon the proposition; "Do we want to take part in the political issues of the day, and shall we so instruct our delegates to the Oregon State Federation of Labor, to meet next January in Portland?" sending the Secretary of the O. S. F. of L. the result of such vote, it would expedite matters very greatly and give the Executive Board, as well as the Legislative Board, some data for the preparation of a resolution to be presented at said convention.

Hoping soon to hear good news from you,

I am fraternally yours,

P. McDONALD,
Secretary-Treasurer.

P. McDONALD,
Secretary-Treasurer.

We, the Auditing Committee, have fully examined the above report, comparing receipts and expenditures with books and receipt copies and find them correct.

ALEX. CHEYNE,
T. H. KENDIG,
H. C. BROWN.

Mr. T. E. Flaherty, an old friend of our movement, now representing the wholesale dry goods firm of Young, Smyth, Field Co., of Philadelphia, Pa., paid us a friendly call Saturday. Mr. Flaherty is looking splendid, and is as full of life and business energy as we remember of ever having seen him. His business is booming in Portland as well as in all the leading cities and towns in his territory, which comprises the whole division west of the Mississippi. Nothing pleases our friend Flaherty better than to hear of the success of the workingman.

STRIKE AND BOYCOTT

To Union men and women and their sympathizers: The Home Telephone Strike and Boycott are still on; anything to the contrary is not the truth.
