THE LION CLOTHIERS

THE HOME OF THE UNION LABEL

166-170 THIRD STREET.

The passerby on the street is often confronted with a sign on buildings in course of construction, reading as follows: "Keep out." In most cases this occurs on buildings where scab labor is employed. The idea is that the bosses are afraid of union agitators and want them to stay away. Well, suppose we stay away at all times, and let capitalists know where we stand.
