Ida Fuller, who is down in theatrical  
records as the world's greatest spec-  
tacular dancer, will shine as headliner at  
the Empress during the week of April  
21, with her six dancing nymphs. Miss  
Fuller was luminous Orpheum headliner  
last year and in her Sullivan & Con-  
sidine engagement is presenting the  
act of which her celebrated fire dance  
is a feature. Miss Fuller calls her act  
"If," formed of the initials of her  
name. In one part of the spectacular  
performance she and her beautiful  
maidens dance in their bare feet.

cial price matinee Wednesday after-

**"TEXAS" AT THE BAKER.**  
Lovers of big, breezy Western plays  
like "The Virginian" and "The Squaw  
Man," will be in their element at the  
Baker this week, where a special pro-  
duction of "Texas" will be given. It  
opened Sunday. Texas is strictly a  
play of the cattle country. All the

action takes place on the great Buck-  
head Rancho owned by Colonel West.  
The plot concerns the scheme of a  
crafty English Lord to take advantage  
of the financial difficulties of the  
owner and get the Rancho at a ruin-  
ous price.

**PROGRAM AT GLOBE THEATER.**  
The Pathe Weekly has pictures of the  
San Francisco and Portland ball teams  
and the ninth and exciting inning of  
the game between New York and Bos-  
ton. "The Wrong Road Happiness" is  
a two-reel Pathplay, and John Bunny  
and the Vitagraph twins furnish the  
fun.

**AT THE LYRIC.**  
For one week, beginning today, the  
Keating & Flood Musical Comedy Com-  
pany will offer "The Isle of Bing-  
Bong," at the Lyric Theater.  
While the comedy is fast and furio-  
us, the musical end of the show is not  
to be overlooked. Particular attention  
is being given to the numbers, which  
will include a number of late song hits.

**AT PANTAGES.**  
Telegraphy has become a strong fac-  
tor in the rush by rival vaudeville mag-  
nates for acts of international note,  
many of the continental successes being  
booked by telegraph and cable. It was  
through such a system that the signing  
of Laurie Ordway, the favorite English  
comedienne, was accomplished by Alex-  
ander Pantages, who will present the  
wonderfully clever little start for the  
first time in Portland at Pantages for  
one week only, commencing today.

**Marshall on Socialism.**  
In the daily papers, Vice-President  
Thomas Marshall is quoted as follows:  
"Along with general prosperity has  
come a marvelous piling up of colossal  
private fortunes. The piling up of col-  
ossal fortunes, supplemented by a gen-  
eral diffusion of knowledge, has made  
large bodies of people dissatisfied.  
"The desire of the people is for  
greater equality of opportunity and  
enjoyment. More and more men are  
coming to the belief that socialism alone  
will open up and guarantee this equal-  
ity."

**Motorists Kill Many.**  
In New York the fatal accidents from  
motor cars increased to 234 during 1912  
—40 per cent over 1911. Of these acci-  
dents investigation showed that three-  
fourths occurred at or near street cor-  
ners, while the cars were running at  
thirty to sixty miles an hour. No ar-  
rests were made in any case, no oper-  
ator was sent to jail or fined.

## Electrical Workers News

Local No. 125.

It was decided not to have the com-  
mittee which canvassed the strike vote  
on the Oregon Electric Company, the  
Southern Pacific Company and the  
Home Telephone Company report in full  
as it was thought best not to make  
public the exact result of the vote until  
further negotiations has taken place.  
The result, however, is known to have  
been overwhelmingly in favor of strik-  
ing to enforce our demands if neces-  
sary.

During the last week negotiations  
have been held with the officials of the  
various companies involved by Vice-  
President Morgenthau and Von  
Schultz of the Pacific District Council  
and Business Agent Gifford. The of-  
ficials of the Southern Pacific and Ore-  
gon Electric have both held out hopes  
of our demands being satisfactorily  
settled, but not so with those of the  
Home Telephone Company. This com-  
pany has discriminated against our  
members ever since the last strike  
against it and our first demand is that  
this discrimination must cease. A meet-  
ing is to be held with Wm. Hill, Presi-  
dent of the company and it is hoped  
he will meet us half way in trying to  
come to a understanding.

A motion was passed that we move  
into the Auditorium hall and the Busi-  
ness Agent was ordered to report next  
meeting on what nights the hall can be  
obtained.

The delegates to the auxiliary report-  
ed progress and urged upon all members  
to see that all groundmen, drivers and  
others in their gangs were members of  
the auxiliary.

The committee appointed at the pre-  
vious meeting to draw up an agree-  
ment to be presented to the Portland  
Railway, Light & Power Company, re-  
ported progress.

One new member was initiated, four  
were accepted on travelers and two  
applications were received. With-  
drawals were granted W. A. Rodgers and  
F. C. Morrow as both are leaving the  
business.

The Smoker Committee has disband-  
ed.  
Brother Von Schultz, Third Vice-  
President of the Pacific District Council  
is in town having been sent here to  
help out on organization work.  
Committees from Local 317 and 125  
have been visiting the various locals  
around town for the purpose of present-  
ing the true facts of our international  
split. It is hoped that the other locals  
will not let our international troubles  
be the means of bringing discord into  
the labor movement of Portland, but  
will stand, as we have always stood, for  
justice and right and leave us to settle  
our own troubles.

"I say, waiter," whispered the man  
in the downtown restaurant, "do you  
charge extra here for bread and but-  
ter?"

"Yes, sir," replied the waiter.  
"Well, I suppose I will have to stand  
it. By the way, could I rent a table  
napkin for about 15 minutes?"

ing.

## Carpenters' Union News

Local 808

There will be a special called meet-  
ing Tuesday evening, April 23, for the  
purpose of considering amalgamating  
with Local No. 50. All members are ur-  
gently requested to be present and to  
express their sentiments on the sub-  
ject.

George Campbell left Thursday for  
Edmonton, Alberta, on his honeymoon.  
George has a good job there and ex-  
pects to stay all Summer. Best wishes.  
Dan Moore was elected delegate to the  
District Council of Carpenters to fill  
Brother Campbell's place.

Business Agent Tom Hundt says that  
business is picking up around town.  
He expects to have all the boys work-  
ing by the last of the month.

The local took in five new members  
last Tuesday evening, three by initia-  
tion and two by clearance cards—21  
new members so far this month.

A good many calls have come to the  
office in the last week for carpenters  
for out-of-town jobs.

We are glad to have so many visiting  
brothers from Local No. 50 with us  
every meeting night. You are always  
welcome boys. What we want is to  
see more brotherly feeling among the  
locals.

The local bought \$5 worth of tic-  
kets from the pattern-makers, who are  
raffling Brother Young's tools. Mr.  
Young has been permanently injured.
