

FOOD SERVICE CLASS **The Cookie Jar**

The Food Service Class now has its own business! It's called The Cookie Jar. The students bake **HUGE, wonderful cookies!!!** Not only are they doing the baking, they are doing their own bookkeeping, computing the cost and the profit, and they are marketing their goods! And are they good!!!! Try one -- you can buy them now at the General Store and they will soon be available at Midway and Willow Lake. Great job folks! A fantastic learning experience and so yummy!

Food Service Appreciation!

This month, the Food Service Class will be rewarded for all of their hard work during the year -- including their contribution to Cycle Oregon. This group of approximately 20 students, along with their instructor, Joyce Brown, will journey to Medford's new Home Town Buffet for a delicious lunch followed by a tour of the kitchen. This will be followed by an afternoon of fun playing miniature golf or bowling. **This is well deserved recognition!**

BUTTE FALLS GENERAL STORE
