CITIZEN OF THE MONTH

Roni Burg, born Veronica K. Ellis, is a behind the scenes volunteer junky! If she sits idle too long she'll soon find herself on another project. She's been involved with many fund raisers for the church and school.

Roni graduated from Butte Falls High School, playing all the girls sports they could offer her. She was also Class Officer, and active in Student Council. Sounds like keeping mighty busy started early with Roni!

On July 28, 1984, she married Dennis Burg. In September of the same year, she entered Beauty College, finishing in January of 1986. She ran the Butte Falls Salon, calling it, Roni's Shear-lock Home, from 1986 to 1991.

Dennis and Roni had their first child, Jossalyn, July 20, 1989, then along came Darby, August 30, 1991.

During the period from the late 1980's to early 1990's, Roni coached cheerleading. One year she helped the squad earn a trophy at the Annual State Basketball Tournament and Cheerleading Competition.

Roni has been a *very active* member of the Butte Falls Active Club for about 9 years now. She's a key planner in our July 4th Celebrations and Santa Nights. She is a member of the Butte Falls Scholarship Committee, and for the last two years has been assistant coach for B.F. High School Softball. Roni also plays a little ball herself in the Medford Women's Slow pitch League. She also helps organize various slow pitch tournaments and helps out with little league and T-ball.

Roni teaches childrens Sunday School, plays keyboard and guitar, and is Missionettes Coordinator at the Butte Falls Assembly of God.

Roni loves to be surrounded by children! She provides childcare in her home, and helped with the Cycle Oregon Childcare. Also for Cycle Oregon, Roni was a big part of the entertainment. Blessed with a wonderful singing voice and writing ability, she sang a song she wrote to the tune of the Beatles song, "Yesterday." With this gift, she also was the entertainment at a Lioness visitation in October of 1994. Roni performed a skit about a hunter.

Roni keeps charging along with all of her energy, usually with a string of kids behind her! Thanks Roni for all you do for your community. You've made some great memories for us and our children!!!
