Timber Sale Information

An Environmental Assessment has been completed for the TOKYO GINGER timber sale in an area located east and south of Butte Falls. Although it carries the name of a proposed sale from 1991 that was never sold, it is in the same general area and intends to accomplish different objectives. There will be a public review of this proposal until October 17, 1995. If you are interested in the sale you may review the EA at the Butte Falls Ranger District office. Comments must be submitted by the October 17 deadline. a.buchta

ELEMENTARY ENERGY

Student Council

This year's council is composed of the following students: President, **Dusty Harrington**, Vice President, **Lindsey Stockton**, Secretary, **Jackie Lyon**, and Treasurer, **Jammie McClanahan**. The Bulletin Staff congratulates each of these students!

Canned Food Drive

Each year, Butte Falls students collect canned foods for the needy. This year the elementary school student council will head up the drive. Students in grades K through 8 will participate in a contest the week of December 4th through the 8th. Each student in the class that collects the most will receive an ice cream! To kickoff the project, there will be a dance for elementary school students on November 30th. The price of admission is two cans of food.

A drop box will be provided in the office at the elementary school for those who wish to drop off canned goods. The food will be distributed for Christmas dinners along with turkeys and fresh foods donated by our local Lions and Lionsess Clubs.

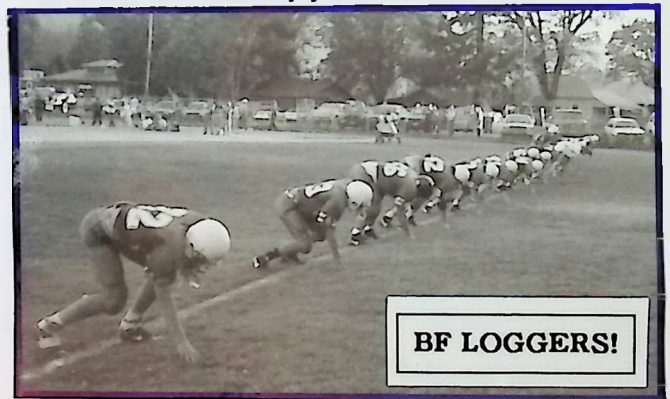

Let's all get behind our students in this wonderful project!

Reader Board/Honor Society & Council

Watch the reader board at the elementary school for information about a fund raising project for the National Honor Society and Student Council!

Sports!

The community is invited to come out and support our Jr. High Volleyball and Football teams. Here's your chance to get to know the students before they become famous as High School athletes. You can say you saw them first!

Parent Council

The first meeting of the Butte Falls Parent Council will be at 5:00pm on October 9th at the Elementary School Library. Everyone is invited to attend and see what this group has in store for the coming year. Parents, grandparents, aunts, uncles, and friends, PLEASE COME!! It's been suggested that each community club or organization send a representative - How about it? Let's show our kids how much they mean to all of us!
