

HIGH SCHOOL HAPPENINGS!

Security Patrol?

Yes, the School District is looking for volunteers to provide a Security Patrol at ball games and other school activities. Volunteers will be furnished with a polo-type shirt and a jacket with SECURITY written across it. The duties will be to report wrongdoing observed during the activities to the principal, athletic director, or lead teacher. If the problem is serious, the Town Marshal will be called.

If you would like to volunteer, please call the school at 865-3563. Or you can come to a meeting on **October 3rd at the High School Library at 5:00pm.** h.boyle

Rooter Bus

Everyone is invited to come out and support our teams! A free Rooter Bus is provided for all out of town games. Call the High School to reserve a seat! A two day notice is required. **(See October Bulletin Calendar for revised information on sports!)**

Parent Conferences

This year parent conferences will be held on **October 9, 10, and 11.** Each conference will include the parent, the student, and the teacher or advisor. These sessions will include goal setting for the academic year. It's hoped that each and every parent will be able to attend.

Volleyball

If you haven't been to one of this year's volleyball games, then you need to get out there soon to see the action and support our team! The stands are already crowded with parents, friends (old & young), and football players. While at the games, be sure to stop by the snack bar for a soda or candy bar and help support our school clubs and the student doing all the hard work!

Poetry and Art

This year the display cases in the entry at the High School will feature poetry and art. These displays will be changed every couple of weeks. Jatina Baldwin had several of her poems on display followed by art work by Bruce Johnson. Be sure to stop by regularly to view these so you won't miss anything.

"A Slow Learned Secret"

Jatina Baldwin

When people move to a little town
They learn to keep their cool,
Because all the words being
Passed along are gossip
That's not even true.
Teach yourself not to care
What other people say,
Or else you'll be too hurt inside
To stand up and say how you feel.
No backing down from anything,
Tackle your problems without second thoughts
Show your pride with confidence
And learn from the bad,
As well as the good.
Try not to react on sudden whims,
or give trust in a foolish way.
Be strong and tough enough for two,
And you'll conquer your problems with ease.

Spotlight On Kids

This is a new column that we will be bringing to you monthly. Many of you have told us that you would like to get to know more of our young people and have suggested that we introduce them to you in The Bulletin. This month we will be featuring two students from High School. These students were among those recognized recently at "A Salute to Kids".
