

### **A SUCCESSFUL FIRST ANNUAL PHOTO SHOW**

By the accounts of those in attendance, the First Annual Butte Falls Forest Jubilee Photography Contest was a wonderful success. Many thanks to those in the community and especially the seven students (and their Art Teacher) from the High School that submitted photographs for this event. The show drew over thirty photos from twenty people in the Butte Falls area and from the Rogue Valley. The area people receiving special recognition from the judges were **Lillian Lawrence and Jeremy McKibbin (students)** and **Ed Arnold and Leah Wattenburger**. Besides a splendid and colorful ribbon, these special photographers were the recipients of gift certificates from Medford camera shops. An **EXTRA SPECIAL THANKS** goes to the judges that had the difficult duty of identifying the best of the show: **SueAnn Torres (HS Art Teacher)**, **Kurt Stalcoff (HS English Teacher)** and **Fred Nunn (retired photographer-Shady Cove)**.

Get ready for the Second Annual Exhibit *now*; the winter weather brings with it some nice changes in the forest for photographic opportunities.

The Butte Falls Scholarship Committee would like to thank the folks who worked so hard in planning, preparing, and cooking the Hawaiian chicken dinner. The dinner was delicious! The event a MAJOR success! A special thanks to Mr. Bone and the 10 Seniors who served as waiters and waitresses for the evening. What a terrific job you did! The Seniors' friendly attitude added a great deal to the festive dinner. To the citizens who supported this great event, a grateful THANK YOU! Your support made it pos-

sible for one of our Seniors to have an opportunity to further their education. The dinner grossed \$884.50! Way to go Butte Falls!!! I.matthews

### **FOREST JUBILEE A WONDERFUL SUCCESS!**

If you didn't get to the Forest Jubilee, you really missed an event! The time and effort of all involved really paid off. The workshops, the play, the exhibits, the market in the park were all nice to look at and great to take part in. Hugh Simpson and the Bag Pipe Band were wonderful! Such a nice sound to hear in the park. They played Kathy Malone's favorite song, Amazing Grace, in her memory. A very touching moment at the Jubilee.

We can't wait for next year's Jubilee - things here in Butte Falls seem to get bigger and better as time goes by!
