

ELEMENTARY ENERGY!

Canned Food Drive

Remember to put this date on your calendar; **December 4th!** The Elementary School students will begin collecting cans on this day to provide food for needy families.

HIGH SCHOOL HAPPENINGS!

Touring the Halls of BFHS

A visit to the hallways of BF High School can be an interesting and informative experience. First as you enter the building you will see a display of poetry written by Senior Jessica Nelson. Next, a display of photos that were entered in the Forest Jubilee photo contest. As you continue down the halls you will also find information on the "Student of the Month", Karli Krenwinkle and "Student in the Spotlight", Jatina Baldwin. If you continue down the hall you will find a couple of bulletin boards with news clippings, contest information, and other interesting information. On these boards is a schedule of students assigned to attend school board meetings. This month Brody Ferguson and Beau Macy will be attending. On this same board is a flyer for a Northwest Poetry Contest, the deadline for entry is November 10th. If you too would like to know more about your schools or what students are doing, don't hesitate to pay a visit. You can learn a great deal just by taking a stroll down the halls or by stopping in the front office and talking with Jeany.

The Wind Overhead
The Water Below,
The Rocking Boat,
To And Fro,
The sounds of the Seagulls,
The Thundering Waves,
The Dolphins Making Gestures,
In Their Own Little Ways,
The Ocean is Full,
Of Sights and Sounds,
Ones That Aren't Thought of,
And Ones That Are Found

Jessica Nelson

Jack Brown Retiring

Jack Brown, coach of the State Champion Loggers is retiring after 11 seasons at Butte Falls High School. The players and community will certainly miss Coach Brown. We all wish Jack an enjoyable retirement!!!

Close Up

Members of Close Up auctioned off three cakes to raise funds for their scheduled trip to Washington DC. The first cake was auctioned at half time during last Friday's game with Camas. It brought in \$55.00! Two other cakes were auctioned just prior to the start of the Varsity Volleyball game and brought in about \$200.00!! This shows you the community support our kids have!

Security Patrol

There have been several meetings regarding the Security Patrol and each meeting shows more citizens getting together to battle drugs in Butte Falls. The School District is really backing this effort and it's good to see the community involvement! The next meeting is not scheduled as of yet, please watch for postings and try to attend the next meeting. Patrols have been formed and equipment has been purchased. Along with patrols there is already a camaraderie growing with this group. Potlucks and other activities are being planned. All work and no play, you know! See you at the next meeting!
