

The "Friendship Circle" held as a salute to kids on Monday, October 23, was a heart warming event. Thanks to all.

A special thanks to Mike and Yvonne Witte who spent days cleaning up the city street next to their house. They have cleaned out all the poison oak from around the trees and have flowers planted. This makes me think that perhaps we can start an "Adopt a Block" program in Butte Falls. We could have volunteers to help with beautification projects in our town. More on this next month.

The council approved this month to pay to have the "Close Up" club rake the leaves in the park and dispose of them. The students in this group are raising funds for a trip to Washington DC to have a close look at our government. They are also working on some Halloween eve projects.

Other student groups wishing to raise money by assisting with town projects, please leave a message for me at city hall.

I have a dream about a senior and youth center for Butte Falls also. I'll keep you posted as soon as the dream appears to be on a path for reality.

WHAT A WELCOME!

Yes, what a welcome you get when you come into Butte Falls! The beautiful welcome signs were purchased with money the Town received from Cycle Oregon dollars. They are well made and the team that installed them are top notch! We can be very proud of our sign and our Town! Thanks to all who had part in getting them to their new home!

Thought for the day: A procrastinator suffers from hardening of the 'oughteries.
