

These D.C. bound students have planned another special event for Butte Falls. Mark your calendar for Friday, February 23, this may prove to be a day that is remembered for a long, long time. Plans are being made to host a Fun Family Feed beginning at 5:00 PM at the community hall. Once everyone is nourished and rested after a long day of work and school, the fun continues with a rousing game of Donkey Basketball, beginning at 7:30 in the High School Gym. Following the game this energetic group will then host a Community Dance at the community hall, where dancers will be treated to music that will please every generation. So, be sure to mark your calendar for February 23, 1996. Dinner 5:30 to 7:15
Donkey Basketball 7:30
Community dance following the game.

CLOSE UP will begin selling tickets to the game, dinner, and the dance at upcoming home basketball games. Tickets will also be available at the high school. The minimum ticket prices for the game are set by the company providing the donkeys. They receive 60% of the ticket sales. Advanced tickets for adults are \$3.50, students in grades 7-12 are \$3.00, and students in grades K-6 are \$2.50. Tickets at the door are an additional \$.50. If you would like to order tickets please contact their advisor, Carla LeFever, at the high school and she will make sure your tickets get to you before the big evening. If you would like to be on one of the teams and ride your very own well-behaved donkey you can guarantee a spot for only \$10. Clubs and organizations are encouraged to sponsor players or teams. Five members are needed for each team, so if you would like to organize a team...CLOSE UP can arrange that, too!! Wouldn't it be fun to see a representative

from each community group out on the court and offering support to our own Butte Falls students as they earn their way to D.C?

Close Up hopes that everyone will be able to attend these memorable events, and they look forward to enjoying this evening with you!

ACADEMIC AWARDS CEREMONY

High school academic awards will be presented at an awards ceremony scheduled for February 7, at 3:30. Family and friends are invited to attend.

RECYCLE CLUB NEWS

The newly formed Recycle Club at the high school was made possible by a DEQ grant. The club was established to provide leadership and support to develop a recycling program in the Butte Falls Community. The club will hold its first monthly meeting on February 15 at 3PM at the high school. Members of the community are invited to attend. The purpose of the meeting is to discuss the location for the Recycling Depot which will be constructed by the club and the shop class. Three possible sites are being considered: a vacant area by the bus barn, next to the community hall, and a recently acquired (donated by Medite) lot next to the water treatment plant on Falls Road. The discussion will explore the advantages and disadvantages of each site. Recommendations from this meeting will be presented at the February City Council meeting for council approval. The
