You've probably seen a new face or two in the window of the Community Church parsonage. I'm John Adams and my wife's name is Candy♥. You also may have seen me out running, or seen Candy walking with our daughter, Callie. We arrived about three months ago, and have already felt warmly welcomed.

This is our first pastorate. I received a Master's degree from Western Seminary in Portland in 1993. Candy and I taught English at a university in Southwestern China for the '93-'94 school year. Part of my training included an intern pastorate near Coos Bay for a year.

We want to get to know our neighbors in and around Butte Falls. I plan to come around and introduce myself personally as quickly as I can. We're trying to learn names and faces as we go, please forgive us if we forget your name.

As a Community Church, we are here to serve the community. You each have a standing invitation to visit the church. Please call on us if you have a need or just need♥someone to listen. Our phone number is listed above, and as you know, we're just across Cedar from the church.

Thank you to all of you who have introduced yourselves and gone out of your way to make us feel welcome. We are glad to call Butte Falls home!
