

STUDENT SPOTLIGHT

This award is presented each month to a student who has done something outside of school that is noteworthy.

Jatina Baldwin for her work in the recycling club.

Zane Marley for his rushing yardage.

Brody Ferguson for his perseverance in getting the *READERBOARD* for the high school.

Grant Norling for his efforts on the Adopt-A-Family project.

Jennifer Irwin for completing high school even though she was having a baby.

Lilian Lawrence for the missionary trip she took to Haiti.

Christa Clark for the painting she did at the high school.

Jenny Hancock for donating time at a local hospital.

SCIENCE AWARDS PRESENTED

Science teacher, Mr. Bone presented the *Biology Award* to **James Baldwin**, The *Physical Science Award* to **Jake Sizemore**, and the *Physics Award* to **Julie McClelland**.

Mr. Bone explained that each year the Bausch and Lomb Company recognizes one student from each school. That student must be a junior and have had five straight semesters of Science. Mr. Bone presented this years award to Kim Boyd.

OREGON ASSOCIATION OF SECONDARY SCHOOL ADMINISTRATORS AWARDS

When Mr. Bone was preparing to present this award he said of the student, "he actually scares me in class because he's pushing me..." "I have to research out the question before I can give him an answer." Mr. Bone then introduced **Jay Michael Cook** and presented him with the special award.

ART AWARDS

Mrs. Torres presented awards based on the three theories of Art, Expressionism, Formalism, and Invitationalism. **Sam Ackley** and **Julie McClelland** received awards for Formalism, **Karli Krenwinkel** and **Janelle Wooley** received awards for Expressionism, and **Natalia Mas** and **Annagret Engel** received awards for Invitationalism.

Karli Krenwinkel was awarded the Oregon Association of Secondary Administrators award for Art. This award is presented to only one student at a school. Congratulations Karli!

SPANISH AWARDS

Mrs. Torres presented Spanish 1 awards to **Danny Krenwinkel** and **Terrill Earl**.

Spanish 2 awards were presented by Mrs. Torres to **Jay Cook** and **Scott Stritenberg**.

This is Mrs. Torres' first year at Butte Falls. In previous years Spanish was taught via TV.

MATH AWARDS

Mathematics instructor, Mr. Hartley presented awards for Outstanding Achievement to *problem solvers* **Sam Ackley**, **Karli Krenwinkel**, and **Hiroshi Tanaka**. Geometry awards were presented to **Kim Boyd**, **Terrill Earl**, and **Danny Krenwinkel**. **Crystal Clark** received the award for Integrated Math while **Mary Slaton** received the award for Pre-algebra. Algebra II awards were presented to **Julie McClelland** and **Jay Cook**, **Maggie Harrington**, **Gena LeFever**, **Christie McClelland**, and **Jake Sizemore**.

COMPUTER SCIENCE AWARDS

Mr. Carvello presented awards to students participating in Computer Science. Students working on IBM's learn word processing, spread sheets, and data base. Those receiving awards as Outstanding Students in Computer Science were **Terrill Earl**, **Mike McClanahan**, **Jeremy St. George**, **Kim Boyd**, and **Julie McClelland**. **Aaron Matthews**, who Mr. Carvello said was probably the schools fastest at typing, received an award for Keyboarding. Accounting I awards went to **David Anders**, **Brody Ferguson**, and **Julie McClelland**.

Jeremy St. George who was described as "just a whiz on a Mac or IBM", was presented with the Oregon Association of Secondary School Administrators Award for Computer. **Julie McClelland**, who Mr. Carvello said "probably knows a tad more than me", was presented with the Oregon Association of Secondary School Administrators Award for Business.
