

CYCLE OREGON RIDES AGAIN

By Anne Tucker

As most of you know, Cycle Oregon Bicyclists were hosted by our community on Thursday morning, September 12, 1996.

A great deal of planning went into this project before the event. Many of our community members helped. A notice was placed in last month's Bulletin asking for large bowls and volunteers. We received an overwhelming response to our request and bowls were loaned by Bobby McClanahan, Ruby Edwards, Doris Ramsdell and Gale Wiltrout. Thank you all so much.

On the day of the event, volunteers included: Bobby McClanahan, Carrie Driskell, Melissa Owens, Carol McGrath, Janice Schultz, Terry Schultz, Bill Tucker, Dan Gower, Jake Green, John Adams, Karen Davis, Roberta Sortland, Roni Burg, Steve Harvey, Joyce Brown, Diane Gorman and Cande Adams.

Bobby McClanahan, Diane Gorman Cande Adams and Jim Schloesser helped to set up the site. Terry, Danny, Jake and Bill hauled the food and supplies from the Community Hall and helped set up the large tent. Carrie Driskell and Carol McGrath made signs for us, Roberta Sortland brought her 30 cup coffee maker. Joyce Brown brought a large coffee maker full of hot steaming coffee and loaned us the towels for keeping the tables clean, Steve Harvey brought two large coffee makers and with the help of Roni Burg, they made enough coffee for the riders. Bill Tucker spent his time delving into the ice water for drinks for the riders, Karen cleaned the restrooms and took away the garbage. Roberta Sortland, Janice Schultz and Carol McGrath cut up the cantaloupe and bananas, John Adams saw to it that all the bowls were kept full. Carrie Driskell and Diane Gorman recycled empty containers and emptied trash cans. Melissa Owens took care of the T-shirt and pen sales for the Ambulance.

A great deal of thanks is due to each of these people for their hard work and participation. And one more thing ... We wish to thank the Grange Co-op for the loan of the small horse troughs for the drinks. The riders left Butte Falls and headed for Lake of the Woods, where another group of citizens of the community served riders lunch. We had only one regret: we were unprepared to provide cinnamon rolls for all of the hungry riders. However, we feel that we were a great success. Many of the riders were here in 1994 and made a point to tell us how great it was to again visit Butte Falls. [And a **SPECIAL THANK YOU** to **ANNE TUCKER** for organizing the **MORNING BREAK IN THE PARK** for Cycle Oregon Editors]
