P.A.S.S.A.G.E.S.

Fifty local youngsters participated in last months *Kids Community Service Project*. The children met at community hall, and under the direction of Sandy Matthews, JoAnn Lyon, Katie Matthews, and Gloria Karches, and assisted by Ethel Geleta, Cindy Martin, Sarah Matthews, Joyce Hailicka, Heidi McLauchlan, Elizabeth McLauchlan, Ken Owens and Michelle Morris, baked mini-loaf cakes and Applesauce Cake-in-a-jar, made three kinds of candy and prepared a powered soup base. The kids bagged and wrapped the items and readied them for delivery. Several youngsters made get well cards for Amber Hersom.

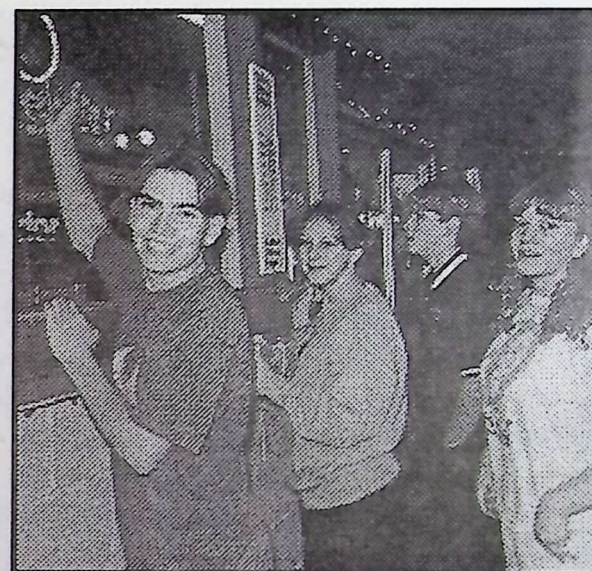

In the spirit of Christmas and giving, the group delivered the gifts to local citizens and to teachers and staff at the local schools. Thanks to those who accompanied the kids on the delivery route: Cindy Martin, Angie Baker, Roni Burg and Sandy Matthews.

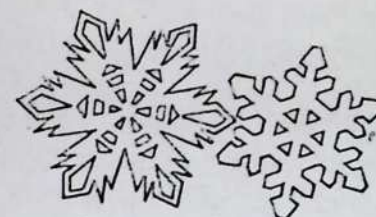

THE BULLETIN

When the first issue of the Bulletin came out in 1994 it's purpose was to keep the community informed of upcoming events. All organizations and groups were encouraged to write a monthly article. Recently we have found that very few groups are taking advantage of the opportunity to promote their group. This is a reminder to all groups, activities, organizations, and all others, that we welcome articles on upcoming activities that would be of interest to our community.

Articles may be left at City Hall, the front desk at the Forest Service Office, or you may call Gloria at 865-3341. We look forward to hearing from you.
