

SPOTLIGHT ON KIDS

TREA HARRINGTON

In June, Trea Harrington will have completed grades kindergarten through twelfth in Butte Falls and when she graduates it will be with the honor and distinction of being class Valedictorian.

Following graduation, Trea plans to pursue her education either at George Fox College in Newburg or at Western Baptist College in Salem. When asked about her plans and goals Trea said she will major in elementary education and after college graduation she plans to teach. Ideally she would like to teach kindergarten up to third grade. When asked if her father being a teacher had anything to do with her career choice, Trea explained that she has always enjoyed working with kids. She noted that she helps with kids at church, and during the summer she is a counselor at church camp. Trea talked with enthusiasm about the three mornings a week she spends as a teachers aide to Miss Strong's first grade class. Her face lights up and you can hear it in her voice when she says she really loves working.

Trea is active in athletics and is president of BFAA. She was a member of the volleyball team which reached the State Playoffs each of the four years she has played. Additionally she is a cheerleader, and a member of this years Lady Logger Basketball Team.

In addition to sports, Trea is a member of the Future Business Leaders and will represent the school at State Competition. She is also a member of Natural Helpers and was president in her junior year.

During her high school years Trea has had the opportunity to participate in community service activities and plan and organize events. Most recently she was in charge of organizing and planning the Donkey Basketball game which turned out to be a successful fund-raiser for BFAA and Close Up as well as a fun evening for the community. Trea also took part in several community service projects during the Christmas Season. She said she really enjoyed seeing the smiles on the kids faces when she played Santa's Helper and delivered gifts to a local family. She also enjoyed being "an elf" during the Twelve Days of Christmas.

In the summer of her sophomore year Trea had the opportunity to spend eight days on the Havisupi Indian Reservation in Arizona. She went on a missionary project along with other teens from her church. Trea explained that the group went to work with teenagers and provide entertainment. One of the activities the teenagers on the reservation enjoyed the most was playing basketball.

In addition to all of her other activities, Trea is editor of Tree Talk, the high school newspaper. She is also on the staff of the year book. Trea, her advisor Mrs. LeFever, and the staff of Tree Talk are to be commended on their excellent newspaper.

Along with all of her activities Trea finds time to spend with family and friends. During the summer Volleyball is a big part of her family life.

If you haven't met Trea, plan on doing so on March 15 at the Scholarship Benefit Dinner. She will be one of those with smiling faces serving dinner.

Congratulations Trea Harrington, Valedictorian for the Class of '97.

Elementary Students for the Month of November		December		January	
A.M. Kindergarten	Austin Rowley	A.M. Kindergarten	Cora Fears	A.M. Kindergarten	Daytona Ingraham
P.M. Kindergarten	Amber Tumey	P.M. Kindergarten	Chelsea Sullivan	P.M. Kindergarten	Caitlynn Driskell
