MOLLY LAWRENCE!!!!!!
You're not getting older, just better!
Happy Birthday!!!
Love, the Hamann's
(your neighbors up the road)

Thank you very much, Dick Earl, for all the
time & effort you have given to make our
place a home. As the old story about the 3
little pigs, the wolf huffed and puffed and
blew their house down. Terry Schultz and
crew huffed and puffed and made our home
sound from top to bottom. They worked
very hard and did a great job. Thank you
very much.

.....The Curphey Family.

Where Love is Planted Love Grows

Thanks Dennis Burg
