KIDS CRAFTS, FUN AND COMMUNITY SERVICE

Seventy local youngsters participated in one or more of the three days of this years project. Along with the fun of baking, crafting, and writing letters to Santa, the youngsters enjoyed making gift items for local seniors and other special citizens. On the last day the youngsters walked around town, singing Christmas Carols and delivering hand-made wreaths and cakes. The kids were delighted by the smiles of Ella Pingle, Betty Albert, and Ed Lux.

Gloria wishes to thank those who helped provide supplies, Donna Arnold, Wendy Earl, and Russ Karches. Thanks also to Ellen and Anzel Conley for their donation. Gloria is most grateful to the mothers who gave so freely of their time to help the local youngsters. To all the students from the Butte Falls Chapter of the National Honor Society and the Butte Falls Lioness Club who co-sponsored this years project a very Big Thank You!
