

CUB SCOUT PACK 64

by- Lynda Knighton

As many of you have read in previous ~~bulletins~~ the Boy Scouts are active in Butte Falls. We are Pack 64. Within the Pack we have Bobcats, Wolves, Tigers and Webelos.

The boys have all learned the Cub Scout Oath and the Scout Laws. They are very excited and busy thinking up projects and outings. You can all help the boys by doing a little brainstorming yourselves. We need projects to participate in or projects we might accomplish on our own. We need projects to do just to be helpful and kind, and projects to help raise money for outings and supplies. The Christmas tree pick up was a big success. Thank you for all the donations.

We are just getting started and want to make a difference in the boys lives and in our community. Any ideas or suggestions will be greatly appreciated.

Our committee meetings are the first Monday of each month and are held at the elementary school library at 6:30. You are welcome to attend. We will be happy to answer any questions you might have and to listen to suggestions.

Hello, my name is Wendy McClelland. I am a 15 year old sophomore at Butte Falls High School. During the past few months I have been doing numerous fund-raisers and searching for sponsors to help me with my modeling at I.M.D. I would like to say "thank you" to all the people that helped in our community. You all have been a big help. I would also like to thank Joyce Hailicka for her hard work and dedication, in making my dreams come true, I couldn't have done it without her. Thanks to all the community involvement I was able to raise over \$800 dollars to pay for my modeling classes. As a result of everybody's help, I am proud to say that I have been chosen to go to New York City in July for a modeling convention called I.M.T.A. Once again, thank you all for your much needed support!

At the January meeting it was decided that any members who wished would make more lap robes. These would be taken to area elder care homes next December. We received a nice note of appreciation from Three Fountains Nursing home for the ones that Dottie Villa took there. She had some cute stories to tell about ladies at other homes she visited to leave robes.

The lesson on nutritional supplements given by Ella Pingle and Roberta Sortland proved interesting and informative.

For the February 10th meeting the lesson is titled "Walking In Other Moccasins." It will be at the Community Hall at 9:30 a.m.

Don't forget to mark your calendars for February 26th. That is the date *Carnival of Learning* is scheduled for this year.
