

The Fishing Line
by- Dave Curphey

You know I believe the longest stretch of time is from the last day of Trout season to opening day. But, hey Trout season is finally here, so good-bye winter blues.

Our local lakes, Medco Pond and Willow Lake should be well stocked with tasty Trout just waiting to bite. Just up the hill, Fish Lake has been stocked with two pound rainbows and possibly more later on. Big Butte creek will open on May 27th with a five Trout limit, artificial fly and lures only. Hey, at least we get to fish it this year.

This year the kids fishing derby is on June 10th at various lakes around the area. The closest is at Medco Pond, an event put on by the Catfish Cove Club, Prospect Search and Rescue and the Oregon State Forestry. These people put on one of the best derbys in the state. Be sure to get your kids there before 8:00 to register.

Until next month, good luck on your fishin and don't fall in! D.C.

Vacation Bible School News!

Vacation Bible School will be July 3rd-7th this year. The team that came last year has asked to come back this year and we said "YES" since we will be working on the re-model of the Community Church. It will be held at the Assembly of God Church. More news later...

Gayle Dunlap and Candy Labrasseur you've got Cobleigh Road looking pretty good-coming and going..... Thanks, Laurie R.

To our son Nick, who is leaving the nest once again. It was hard the first time to let ya go. But, I don't think it will be any easier this time. (I lied) Good luck in the Air Force. Spread your wings and fly.
