AND, OTHER STUFF!

A Note From the Ex-Mayor
by -Sara Beck

Greetings to all. I have actually missed
writing my monthly notes to keep you
all informed. This time a short note to
say that I regret the notorious
"Anonymous letter that was able to
sneak into last months **BULLETIN**. A
couple of people have asked if I wrote
it. The answer of course is no, and I
would have signed it. There is not
space to address the content. Let it be
said that this is not the only time in the
history of Butte Falls that times were
tumultuous, nor that all the council and
mayor agreed. Please remember that
the role of council person and mayor
are too often thankless jobs. There are
three openings on the council this year
and the mayor position is open for re-
election. Call City Hall, get your petition
signed and take action, run for one of
these positions.
