

HAVE YOU HEARD?

Butte Falls High School New!
By- Nici Inman

Hi, Butte Falls! It's that time of year again; kids stunned disbelief giving way to moping, sulking, and overall resistance, while parents jump for joy and can't stop smiling. What am I talking about? Why the fact that school is back in session and here's some news for you.

What's happened so far? September 8th we had a "Welcome Back Dance" that had a great turnout of both students and faculty, including Officer Dave. A huge thanks to the dance committee, your time and efforts are greatly appreciated. It was really nice to come back to school with so much spirit and such awesome decorations up and down the hall.

This year we also have a new Principal, Dr. Dunlap who moved from Montana this summer to become our Principal and Superintendent. Earning a great deal of respect for being in education for 41 years! So, if you see him in town please make him feel welcome.

Another new addition to Butte Falls High School is Officer Dave; our new resource officer who the students seem to enjoy and is always friendly. Officer Dave helps in the classrooms and keeps an eye on everything.

Please come and watch the games this season and support our teams!

Friends of the Library
by- Ina Hilkey

The annual meeting of the Butte Falls Friends of the Library was called to order by President Ellen Moore with 6 present. Officers elected, Ina Pearl Hilkey, President, Dan Murphy, Treasurer and Carol Gasperson, Secretary.

THE FISHING LINE

BY- DAVE GURNEY

LABOR DAY WEEKEND, JOSH AND I DECIDED TO GO UP TO DIAMOND LAKE AND TRY A FEW OF OUR FAVORITE MONEY HOLES. AFTER THREE HOURS OF FISHING HALF A MILE OF SHORELINE, WE HADN'T CAUGHT A SINGLE FISH. SO WE PACKED IT IN AND HEADED FOR OUR FAVORITE BROWN TROUT FISHERS HOLE, LEMOLO LAKE.

WE FISHED EAST BAY AS USUAL, USING VARIOUS RAPALAS AND TASMANIAN DEVILS, BUT DIDN'T EVEN GET A HIT. BY THEN IT WAS SUNSET, SO WE TUCKED OUR TAILS AND HEADED FOR HOME. AS WE APPROACHED THE DAM ON LEMOLO LAKE WE LOOKED AT THE WATER AND COULDN'T BELIEVE OUR EYES. THERE WERE FISH WORKING THE SURFACE EVERYWHERE. I HIT THE BRAKES, PULLED OVER AND THE FOOT RACE WAS ON! I THINK IT WAS JOSH THAT MADE THE FIRST CAST. WE THREW EVERYTHING BUT DUPONT SPINNERS AT THOSE TROUT. I HAD ONE NICE BROWN TROUT FOLLOW A KASTMASTER LURE TO SHORE, AND I BELIEVE THOSE BUBBLES COMING FROM HIS MOUTH WERE FROM A LAUGH.

JUST ABOUT DARK, THE ONLY THING WE HAD LEFT WAS SOME OF THOSE LEFT IN A HOT CAR, STORE BOUGHT NIGHTCRAWLERS. PHEW! SURE ARE SMELLY THINGS WHEN THEY GET THAT WAY! THE ONES THAT STAYED ON THE HOOK, WITH A CHEESE FLAVORED MINI MARSHMALLOW DID THE TRICK. GO FIGURE! BEFORE IT GOT TO DARK TO SEE, WE LANDED THREE NICE TROUT. IT MAY NOT HAVE BEEN A GOOD DAY FISHING, BUT YOU KNOW WHAT THEY SAY; "THE WORST DAY FISHING IS BETTER THAN THE BEST DAY AT WORK".

NOW THAT IT'S HUNTING SEASON, BE SURE TO BRING YOUR FISHING TACKLE. SURE IS NICE TO COOK UP SOME FRESH TROUT WHILE DISCUSSING TOMORROW'S HUNT AROUND THE CAMPFIRE.

SO UNTIL NEXT TIME, GOOD LUCK ON YOUR FISHING AND HUNTING!

New Superintendent Welcomes Korean Students- by Cher Rydberg

In August, Rick Foertsch hosted 15 South Korean students and thought it would be fun to introduce them to the people of Butte Falls.

Rick is a private contractor of alternative highschool programs and puts on the GED program that we talk about in our paper. Clay Dunlap, our new superintendent spent time with them and explained our U.S. History while asking them about the new changes with North and South Korea.

Rick's GED students took them down to the falls. They watched Ian jump in and of course took a lot of pictures. They also waded into cold Butte Creek and seemed to enjoy their taste of Butte Falls. We were happy they could see our town in their two week visit that included meeting the mayor of Medford and floating the Rogue River!
