Second Annual Town Cleanup Week!
The Butte Falls Recycle Center will be open to Town residents in November for the purpose of disposing some of that **STUFF** too large or too much to fit in the weekly garbage container. Make a note of the dates. They are: Friday November 10th thru Friday November 17th. That's 8 days, which includes the Saturday-Sunday weekend of the 11th and 12th. Plenty of time to get rid of your **STUFF**. Spread the word to others who may not read the **BULLETIN** or see notices posted around Town. The dates are **FIRM**. No **STUFF** in before the 10th. No **STUFF** in after the 17th.
And, **NO EXCEPTIONS!**

Town Cleanup Week happens only because Southern Oregon Sanitation (the same outfit that picks up household garbage) provides MegaDumpsters and hauls your **STUFF** away for free. Only because your friendly neighborhood Public Works Department does the grunt labor of loading trucks with all the nondumpsters **STUFF**. And, only because volunteers like Brian McGrath practice the expertise of removing the dread ozone depleting chemical **FREON** from the old fridge in such a way to make the Department of Environmental Quality... smile.

So just what kinda **STUFF** can I get rid of during Town Cleanup Week? Appliances large and small, toasters, TV sets, washers and dryers, water heaters, metal, car batteries, most any kinda **STUFF**. But **NOT CERTAIN STUFF**. The Recycle Center is unable to process propane tanks, tires, or containers of paints or chemicals. Other than that kinda **STUFF**, bring it on down. November 10- November 17th.

(Pete, you definitely have your own special style of writing- C.H)

TOWN NEWS!

Butte Falls Lioness News

The Butte Falls Lioness Club started their year 2000/2001 with a bang. We are proud to be a service club in Oregon State Lions/Lioness area and being sponsored by the Eagle Point Lions Club.

The Butte Falls annual Fourth of July parade was our first project and we came away with second prize in the float division. Lioness Lila McClanahan designed and executed our float of the "Butte Creek Falls and the Viewpoint" assisted by lioness members and volunteers. In August, 343 cyclists and personnel of the Scenic Cycling Adventure came to Butte Falls. The Lioness took over hosting the group for breakfast. It was a great success due to the excellent kitchen facilities of the Butte Falls Elementary School and the expertise of Joyce Brown, other volunteers and Lioness members.

October 30th, the Oregon Lions Mobile Unit was here testing our school children and others for sight, hearing, blood pressure, blood test and diabetes. This event was sponsored by the Butte Falls Lioness Club. A special "Thank You" to our volunteers.

Plans are in the making for the annual Butte Falls "Christmas In The Country" Bazaar, another Lioness project. It will be held November 18th at the community hall. Lioness Lois Hamann and Lioness Lila McClanahan are chairpersons of this event. Call them if you plan on a table space by making your reservation early for the great affair.

Two new members will be initiated at our November meeting. We meet the first Tuesday of each month at the community hall at 1:00 P.M. We are a going group, come join us.

Butte Falls Activity Club

by- Lori Paxton

The Activity Club would like to have a Hometown Family Christmas on Monday, December 18, 2000.

This would take place at the Community Hall starting with a spaghetti dinner at 5 P.M. - 7 P.M. The price would be \$4 for adults, \$2 for kids, \$10 for a family of 4 with \$1 per child after that. Following the dinner, Santa will be arriving for the children upstairs.

We would like to do something different this year by including both the High School and Grade School kids. We would like the Grade School kids to have their decorated trees from their classrooms to be on display in the upstairs of the hall. One suggestion would be to sell raffle tickets with the trees as prizes as a way to make some money for the school.

We could provide judges and have eight different categories so everyone is a winner.

We would like to have the High School decorate 4 trees and then have a silent auction on them upstairs. The Close Up group can sell their Christmas wreaths there as well.

We will need many volunteers, so we can utilize the students for their community service hours. The hall will need to be cleaned and decorated the weekend before. Anyone wanting to volunteer is more than welcome.

We hope this endeavor will be a great success and can look forward to doing this every year. We are respectfully asking for donations. The money we collect will go towards purchasing prizes, decorations and supplies for Santa's gift bags, etc. We need all the help we can get to make this a reality.

Let's make this our first annual Hometown Family Christmas. Thank you for supporting a community based project. Call Lori at 865-3262 or 865-3624.
