

BIG BUTTE HISTORICAL SOCIETY NEWS!

Thank you so much to the new members and the renewed members. This is what helps us keep the doors open and able to do things for our community and especially for the kids with fun activities over the summer and such. It is fun to see where the different members write to us from. It's YOU that keep us going.

We are planning our 2nd annual "St. Nicholas Night" since last year it was such a success with over 130 visitors in just over 2 hours. St. Nick has agreed to try and fit us in on his tight schedule and will be getting in contact with us soon to finish up the details.

Now, I hate to beg, but I'm going to. I would love to have a successful calendar order to mail in by the 15th of November. That means I need your help. Please fill out the form and mail back with a check for \$6.00 made out to the BBHS. This will be a lovely calendar with a picture taken by our very own Charlene Brown and don't you want to see your name on it so you can get lots of birthday checks in the mail?

Please help us out by supporting this project for the Endowment fund.....

Thank you so much, Cory H.
