Cops Corner- by Mel Ray

The State of Oregon has implemented restrictions of licenses issued on and after March 1, 2000. All original provisional licenses for the first six months after issuance, the person may not drive with a passenger under age 20 who is not a member of the driver's immediate family.

For the second six months after issuance, the person may not drive with more than three passengers who are under age 20 who are not members of the driver's immediate family.

For the first year after issuance of the license, the person may not drive between midnight and 5am except when:

- Driving between their home and place of employment-
- Driving between their home and a school event for which no other transportation is available-
- Driving for employment purpose; or accompanied by a licensed driver at least 25 years old.

These restrictions above only apply until the person is 18 or they have had their provisional license for one year, whichever comes first.

The police department registered 16 scooters and bicycles this last month. Anyone who has not yet registered their bicycles or scooters please contact the Police Department.

Last year the Police Department handled 19 cases. This is approximately 25% less than the average. I believe this is in direct relation to the School Resource Officer's involvement with our high school. Our criminal mischiefs have dropped significantly. So far this month we have had 20 cases, with 6 individuals arrested. Four were taken to jail and two were cited and released.

2nd Burglary in Butte Falls!

Gary and Donna Higgins on Cobleigh Road were also burglarized on the night of January 14th between 9:00 p.m. and 7:00 a.m.!

Whoever did this job new what they were doing...

They took Gary's 92 Toyota Truck and filled it with his expensive tools first! Then they took plywood and made a bridge over the tough spots and fencing and went out the back way from their property! Do you think they had a plan? Do you think they knew the property? Makes you not want to leave your house... although they didn't leave theirs.... Donna says not to leave your keys in any of your vehicles!

OUR HOUSE IS PROTECTED BY A PIT BULL, A COLT 44 AND SOME BIG BOYS!
DON'T COME TOO CLOSE!
