

Tax Help Changes Electronic Filing

The **AARP** Tax Aide program has made changes in the filing process this year. All returns will be prepared and electronically filed at the following sites: Family Resource Center in White City, Ascension Lutheran Church in Medford, Lions Sight and Hearing in Medford, Access in Medford, and Pioneer Hall in Ashland.

The service is walk-in, no appointment is necessary. In White City, help will be available on Tuesday, Wednesday and Thursday. The previous smaller sites of Butte Falls, Shady Cove and Eagle Point have been consolidated with the White City location. More information about the times will be printed in the Mail Tribune soon. Watch for it! Federal and State Tax Reference Books and Forms will still be available at the Butte Falls Library and Post Office.

The Keyless Blonde

A blonde is driving down the road, when she notices that she is low on gas, so she stops at the gas station.

While she is pumping her gas, she realizes that she has locked the keys in the car. So when she goes inside to pay, the blonde asks the attendant for a coat hanger, so she can jimmy the lock. Ten minutes later, the attendant comes outside to see how the blonde is faring.

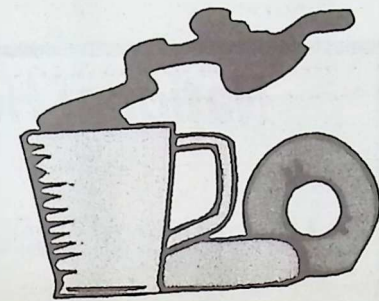

The blonde is still outside of the car and is vigorously moving the hanger around, in an attempt to unlock the door.

Meanwhile, her blonde friend inside the car is saying, "A little more to the left. A little more to the right...."
